Student Development and Public Affairs (SDPA) Mission and Learning Outcomes

SDPA Mission: To foster student, faculty, and staff success through integrated services and programs that advance academic endeavors and the Public Affairs mission, as well as, provide development opportunities that enable an enriching student-life experience. With a focus on our students, this mission is realized through the student learning outcomes in the table below.

SDPA Learning Outcomes and SDPA Unit Alignment

SDPA Learning Outcomes and SDPA Unit Alignment
