			New My Missouri			It would be great if there were opportunities to sign up for staff beginner level caving, kayaking, hiking, floating day trips (similar to what FRC does for students). It would also be great if staff had the opportunity twice a year to sign up for longer day trip excursions where we'd all just pay the actual cost to break even (going to Crystal Bridges, Eureka Springs, St. Louis, Kansas City, Winery, etc.). Staff could have a chance to sign up
