

Missouri State University Greek Week 2024
Monday, April 8th - Saturday, April 13th

Members of the Fraternity and Sorority Life Community,

Missouri State University's annual Greek Week has finally arrived! The 2024 Greek Week committee worked diligently these past few months on this packet and will continue to work hard to bring you the best Greek Week we can. This packet will be your go-to source for everything leading up to and during the week. We hope everything is laid out for you to easily understand. We have changed many significant parts, so we ask you to **CAREFULLY READ** all sections of the packet to ensure effective planning and preparation for every event.

This year, the theme will be childhood television shows, titled **"Greek Network"**. We believe this theme allows every chapter to showcase their creativity and unify our strong community. We are excited to see how our community can take something extensive and make it our own to represent Missouri State University and Fraternity and Sorority Life in the best light possible.

While we encourage everyone to attend and participate in as many of our events as possible, it is more important to put academics above Greek Week. **Skipping class for a Greek Week event is absolutely unacceptable. If a person is found skipping class to participate in a Greek Week event, it could result in a penalty to their team.** Part of Greek Week is showcasing how outstanding our community is; this includes attending classes and excelling academically. As a Fraternity and Sorority community, we should set the standard of excellence when it comes to academics. To do so, we must always have balance during Greek Week and put academics first.

Packet information, event information, and deadlines can be found in the following pages. This is your **primary source** for all information pertaining to Greek Week this year. We will be posting regularly about events and deadlines on our Instagram page (@MoStateGreekWeek) so we encourage you to follow for essential updates. The deadline for all packet information is located on page 4, unless otherwise specified. If you have any questions, please feel free to contact us at your earliest convenience.

The committee and Office of Student Engagement are doing their best to plan a safe and enjoyable 2024 Greek Week! Keep in mind that the Office of Student Engagement and the Greek Week Committee reserve the right to reapprove or alter anything throughout the week/packet if deemed necessary.

Sincerely,

Emma Sollors

General Guidelines

1. All questions and communication about Greek Week events should be sent to the appropriate Greek Week Committee members via email. All contact information is available on page 3 and on the event pages. Requests via text message, GroupMe, DMs, etc. will not receive a response. Presidents and liaisons are the only members allowed to be communicating on behalf of the chapters to Greek Week Committee.
2. All forms will be due on the designated BearLink by 4:00 PM on the day that it's due. The forms can be found on the Fraternity & Sorority Life organization page underneath the forms tab. Feel free to reach out to the Greek Week Advisor or the Directors with questions.
3. All participants must be an active or new member of a recognized chapter at Missouri State University. Participants must be listed on the chapter roster to participate in any event. Participants must be in good standing at the University and their chapter.
4. Points will be determined based upon the percentage of active and new members in attendance that are on each chapter's roster and present at the requested check in times. Attendance will be taken using the Modern Campus Involve app, all students should download this app to their mobile device and log in with their MyMissouriState login. Any student at an event without their Modern Campus Involve QR code will not be considered for points. If it is determined that a team's check-in has been falsified, that team will be disqualified from the event.
5. All events begin promptly at the scheduled time. It is advised that participants appear at the designated check-in time. Failure for a team to show up for a scheduled event will result in a loss of all points possible for that event. If a participant fails to appear, he or she will be disqualified from the event.
6. Cancellation or postponement of an event due to weather or other circumstances is at the discretion of the Greek Week Advisor, FSL Advisor(s), and/or the Office of Student Engagement. Notice of such cancellations or postponements will be made directly to each chapter Greek Week Liaison(s) and via email and social media. If no notice is given, each team is to assume the event will still occur.
7. The chosen judges for all events will be the primary judges. ALL JUDGE'S DECISIONS ARE FINAL. If you have questions about a rule or need further interpretation of a rule, please ask and contact the Greek Week Advisor or FSL Advisor(s).

8. The Greek Week Advisor, FSL Advisor(s), and the Office of Student Engagement reserve the right to deduct points, disqualify teams, or alter the rules at any time. All teams will be notified via email of any and all changes at the earliest possible time.
9. Any attempt to represent or mock a culture, ethnicity, race, sex, religion, sexual orientation, gender identity, disability, or socio-economic class through appearance, actions, or language will not be tolerated. Violations of this guideline will be left to the discretion of the Greek Week Directors, FSL Advisor(s), and the Office of Student Engagement. Failure to comply could result in disqualification from the named event, or removal from participation in Greek Week as a whole.
10. Any inappropriate behavior against the Fraternity and Sorority Life spirit at MSU, as viewed by the Greek Week Committee and the Office of Student Engagement may result in loss of points, disqualification from the named event, or removal from participation in Greek Week as a whole.
11. A strike system will be implemented for the breaking of a packet guideline or rule, or inappropriate behavior deemed by the Greek Week Committee, Advisor, or Fraternity and Sorority Advisor(s).

First Strike: Warning to the liaison and chapter president

Second Strike: Deduction of 15 points from total points. Chapter president and liaison will be notified via email.

Third Strike: Disqualification from determined event or from the week as a whole. Chapter President and liaison will be notified via email.

*If a chapter's behavior is severely inappropriate, a third strike will automatically be given regardless of previous strikes.

Examples of a strike include but are not limited to: Yelling in an unsportsmanlike manner at a committee member, staff member, directors, advisor(s), or another member of the community; arriving outside of your allotted time for events such as Greek Jam; leaving events before event dismissal; inappropriate social media posts.

Consequences could include but are not limited to a deduction of overall points for the week, disqualification of the entire team from the event in question, disqualification of the entire team from all Greek Week events, etc. In the event that a member of a Greek Week team is cited for a violation of the alcohol and substance policy as stated above, the team's chapter presidents and chapter advisors will be notified via email.

4. All members of the approved chapter roster are to be held responsible for the above chapter policies.

Spirit Stick Opportunities

Teams will have the opportunity to earn spirit sticks at various events. The spirit stick represents a 5-point bonus added to the total score. Two to three spirit sticks will be handed out at chosen events. The best way to earn a spirit stick is to show your team spirit at each event. Cheering for your team members participating in the event is encouraged. The spirit stick winners will be announced at the end of each event. The team will be responsible for returning the spirit stick to the Greek Week Directors at the beginning of the event on the following day. If the team does not return the spirit stick there will be a 10 point deduction. Teams are allowed to decorate their spirit stick to leave their mark. This is not a requirement. Teams who use derogatory language or exhibit unsportsmanlike conduct will be ineligible to win a spirit stick. Round 1: Question and Answer

1. Each candidate will be asked one question. These questions are open-ended and do not necessarily have a correct answer. The questions will be a way for contestants to show their personality and think on their feet. An example of a question is, "How has FSL helped you contribute to this campus?" or "How has your affiliated chapter changed your life for the better?"
2. Each candidate will have 45 seconds to answer.

Round 2: Family Feud

1. The candidates will be randomly placed on teams of 5 and play versus another team of 5 candidates.
2. One candidate from each team will step forward and be asked a question. Whomever presses the buzzer first, will get the opportunity to 'pass' or 'play' on a Missouri State themed survey question. Each question will have 3 correct answers.
3. If the candidate who presses the buzzer first chooses 'play' and answers the question correctly, then the next person in line on their team will answer, so on and so forth. If they answer incorrectly, the opposing team will get an opportunity to answer.
4. Each team gets 2 strikes. If the team utilizes both strikes, the opposing team will get the opportunity to "steal" the other team's points.

5. Each round has a maximum of 5 questions. The candidates on the team who wins 3 out of the 5 rounds will win 5 points each towards their individual total pageant points.

Round 3: Talent/Costume

1. All talents, sets, and costumes must be approved by the Greek God and Goddess Coordinators and Greek Week Advisor, there will be no duplicate talents (if singing, no duplicate songs), skits, or costumes. This approval includes the talent of the alternate, if applicable. If the approved talent is changed when the contestant goes on stage, the contestant will be disqualified from the competition.
2. Microphones and speakers will be provided.
3. Each candidate is asked to prepare a three-minute (maximum) talent to perform. Each talent will have two minutes total to set up and two minutes total to take down the set. If the candidate's talent exceeds three minutes or takes longer than two minutes to set up/take down the candidate will be deducted ten points for every 30 seconds over time they go over. The candidate can have a maximum of four assistants during their talent with a prior approval form filled out and approved by the March 28th Liaison meeting.
4. The set cannot exceed 8 feet in width or depth (including wheels). Sets must be built to be sturdy, durable, and transportable. Sets must be approved during the rehearsal by the Office of Student Engagement. If sets are denied, they cannot be used.
5. Performances are limited to the stage provided. Candidates cannot use glitter, fire, confetti, or any materials that the Greek Week Committee deems inappropriate.
6. The God and Goddess Coordinators, Directors, Advisor(s), and the Office of Student Engagement must approve all costumes and clothing prior to the event. No costumes with inappropriate, suggestive, or explicit content as deemed so by the Greek Week Committee or judges.
7. No nudity.
8. Candidates will have their costumes on during the talent and Q&A portion.
9. All contestants need to provide the Greek God and Goddess Coordinators a copy of any audio the contestant is wanting to use for their talent portion to greekweek@missouristate.edu by 4 PM on Friday, March 22nd, 2024. We may request additional forms of audio later in the process to ensure the event goes smoothly. All audio needs to be appropriate; this means NO inappropriate language or content. Any attempt to represent or mock a culture, ethnicity, race, sex, religion, sexual orientation, gender identity, disability, or socio-economic class through appearance, actions, or language will not be tolerated.
10. All contestants must be sober in order to participate in the competition. If contestants present are intoxicated or under the influence they WILL BE REMOVED and DISQUALIFIED from the event and the entire competition.

Greek Week 2024 Beneficiary

This year Big Brothers Big Sisters of the Ozarks, the American Red Cross, and the Bear Pantry were chosen to support. The overall funds raised through Greek Week will be totaled on Saturday, announced at Greek Jam, and funds raised will be given to the organization.
