In a spirit of mutual support and betterment, we, the men of the Inter-Fraternity Council, pledge to elevate the Ritual and the values of the member organizations.

### **President (Evan Grosch— [Evan512@live.missouristate.edu](mailto:Evan512@live.missouristate.edu)):**

- Congrats to all of our chapters and individuals that received Star Awards on Monday. FSL represented more than half of all awards given out. You all should be proud that your organizations produce the top leaders on campus
- I will be presenting an update to the election process. If you are interested in running for IFC next semester, now is the time to figure that out. Contact the current executive board if you are interested in a current position. There is a chance we will be adding an additional position, so be on the look out for that
- I know there is a lot of talk about the governance statement. I promise each of you, this is a topic that I bring up every time I meet with any university official. I understand change needs to be made, and IFC is doing everything we can to advocate for that
- Remember, you cannot give bids over the summer to first time students. You can have meet ups, float trips, etc. (as long as they follow all policies your organization is bound to). But as a chapter you cannot give bids
- Presidents meeting will be next Monday. Don't forget to give your presidents an additional reminder
