Post-Baccalaureate Teacher Certification Master of Art in Teaching (MAT) - Missouri Southern Campus in Joplin

The Master of Arts in Teaching (MAT) program allows students to earn Teacher Certification in an area of Secondary Education AND a Master's degree concurrently.

General Education

All general education requirements are waived for MAT students per the Department of Elementary and Secondary Education (DESE) rule for Alternative Certification Programs.

Professional Education Coursework

The professional education courses must all be taken at the graduate level, and are strictly sequenced. Everyone who enrolls in the MAT program must start during a summer semester. See back page for suggested course sequencing.

Required for Certification

SFR 691	Educational Workshop	9 hours
SEC 683	Internship in Teaching I	3 hours
