

Associate of Arts in Teaching (AAT) Program Plan for  
**MIDDLE SCHOOL EDUCATION**

With

**MOBERLY AREA COMMUNITY COLLEGE**

In order to ensure a smooth transition to Missouri State, students must include courses listed below while completing your Associate of Arts in Teaching degree. **Failure to complete the AAT in it's entirety will result in additional coursework and will likely delay graduation.** In addition to admission into Missouri State, you'll also need to be admitted into the Teacher Education Program. Admission to Teacher Education occurs upon completion of the following:

• Community College equivalent to COM 115 and <b>SEC302</b> with a grade of C or better.	
• EDC 150 with a grade of C or better	• 2.50 Combined Cumulative GPA
• Highway Patrol Background Check	• ACT score (if required by DESE)
• Portfolio Checkpoint #1 at Missouri State	
• Score of 265 or higher on all areas of the C-Base Exam (note: Higher than 235 required by the State of Missouri)	

Transfer students should see an advisor at Missouri State prior to admission for assistance with this process. If you have further questions about this program, please refer to the Professional Education Advisement Center website at:

**It is recommended that students take the C-BASE exam while enrolled in this course. If all components are not passed with a score of 265 or higher, students will need to retake failed components in order to continue beyond Missouri State's ELE 302. All components of the C-BASE must be passed within a two-year time limit if any score is below a 235.
***Because Missouri State does not utilize this course as part of it's program, this course will be counted as elective credit, and will not be applied toward a degree program requirement.
