**ST. CHARLES COMMUNITY COLLEGE**

**Total Hours Applied Toward Degree Program: 59**

\* Grade of C or Higher Required in this course

\*\*It is recommended that students take the C-BASE exam while enrolled in this course. If all components are not passed with a score of 265 or higher, students will need to retake failed components in order to continue beyond Missouri State's ELE 302. All components of the C-BASE must be passed within a two-year time limit if any score is below a 235.

\*\*\*Because Missouri State does not utilize this course as part of it's program, this course will be counted as elective credit, and will not be applied toward a degree program requirement.

Potential transfer students should apply for Admission early in the semester prior to transfer in order to allow for early registration.
