- A. If you borrowed a Stafford Loan at Missouri State last year the same lender will be used.
- B. If you did not borrow a loan at Missouri State last year, please choose a lender from our partial lender list found on our website at: <http://www.missouristate.edu/FinancialAid/lenderlist.html> or list a lender of your choice.

Lender Name must be provided in order for the loan to be processed. Lender Choice: _____

If you are a first time Stafford Loan borrower or a transfer student, you must complete online entrance counseling at www.mapping-your-future.org before your loan can be processed. You must also complete a Master Promissory Note and submit it to your lender before your loan funds will be disbursed.

Your lender may have E-Sign option, the E-Sign Process is the quickest method for completing a Stafford loan Master Promissory Note (MPN). Please check with your lender to see if they offer electronic signature of their MPNs or visit our website for more information at: <http://www.missouristate.edu/FinancialAid/lenderlist.html>

If you are a transfer student with previous Stafford loans at another school, contact your lender because you may be required to sign another Master Promissory Note.

STUDENT CERTIFICATION: I will accept any loans resulting from this request.
