

MISSOURI STATETM UNIVERSITY
Office of Student Financial Aid

DISCHARGED LOAN DOCUMENTATION

Our records indicate you have one or more student loans discharged because of a total and permanent disability. Before you can receive additional Federal student loans, you must call the Missouri Student Loan Program at (800)473-6757 and request the following two forms which must be completed and returned to them:

1. A physician's statement certifying that you are now able to participate in substantial gainful employment.
2. A statement to be completed by you acknowledging your understanding that you cannot discharge future loans unless you submit a physician's statement that your condition has significantly deteriorated to the status of a total and permanent disability.

If you are not interested in receiving a Stafford loan, please notify our office.

We will continue the processing of your financial aid package upon acknowledgement from the Missouri Student Loan Program that you have followed up on this matter.
