# *Presidential Scholarship Application Procedure*

Thank you for your interest in the Presidential Scholarship Program at Missouri State University! Before completing the application on the following page, please take a moment to thoroughly read the following instructions.

## **Eligibility**

To apply for the Presidential Scholarship, students must meet four requirements:

1. Application for admission to Missouri State. Students must have submitted all necessary admission application materials including the admission application, \$35 admission application fee, ACT (or SAT) score, and official high school transcript. These materials must be postmarked on or before December 1, 2011.
2. Test scores: Students must have attained a composite score of 30 or higher on the ACT (or 1330 or higher on the math and critical reading portions of the SAT) in a test taken prior to December 1, 2011.
3. High school performance: Students must rank in the top ten percent of their class or have a 3.90 or higher cumulative GPA (on a 4.00 scale) after the 6th semester (end of the junior year).
4. Interview: Students must be available to attend a scholarship interview at Missouri State University on Saturday, January 28, 2012.

## **Application Procedure**

Applying for the Presidential Scholarship requires that you complete the following steps:

**The deadline is December 1, 2011.**

1. Complete the application on the next page. This application is also available online at [www.missouristate.edu/presidentialapp](http://www.missouristate.edu/presidentialapp). You may attach one or more separate pages for additional activities and awards or honors. You may substitute a scholastic “resume” for sections 4 and 5 as long as it contains all of the information required.
2. Compose a typewritten essay (not to exceed two pages) which introduces you to the selection committee. The essay should consist of a creative personal profile describing your interests, academic goals and career plans. Please attach the essay to your application.
3. If you have not done so already, submit an official ACT or SAT score and an official high school transcript showing your class rank or cumulative GPA from your 6th semester of high school.

**Note:** In most cases, if you have already applied for admission to Missouri State University and submitted the necessary materials, you do NOT need to submit another copy of your ACT or SAT scores, or your high school transcript. You will want to do so, however, if you have improved your ACT or SAT score prior to the December 1 deadline, or if we do not have your 6th semester transcript.

## **Selection Process**

We will send you notification confirming that we have received your application. Selection of finalists will take place in late December and all finalists will be notified of their status in late December. Finalists will be invited to attend a scholarship interview and luncheon to be held on Saturday, January 28, 2012. Attendance at the interview is required for consideration for the scholarship, so we encourage you to mark your calendars now for this event. After interviews have taken place, all candidates will be evaluated and students selected as Presidential Scholars will be notified by mid-February.

If you have questions regarding the Presidential Scholarship application process, please contact the Presidential Scholarship Recruitment Coordinator in the Office of Admissions at 417-836-4353 or 800-492-7900.

Questions about the scholarship program can be directed to the Assistant Director of Scholarships in the Office of Student Financial Aid at 417-836-5262 or 800-283-4243.

**Best wishes throughout the selection process!**
