

RN to MSN

The RN to MSN program is designed for RNs with an Associate Degree or Diploma, who want a Master's Degree in Nursing. Now you can complete both the BSN and MSN in less time, with less expense, than it would take to complete each degree separately.

- ◆ Earn up to 13 hours of dual credit
- ◆ Blocked scheduling offers flexibility for working students
- ◆ A blend of online and campus-based courses
- ◆ Part-time or full-time study

MSN Nurse Educator

The Nurse Educator MSN curriculum incorporates the Academic Nurse Educator Competencies developed by the American Association of Colleges of Nursing. Our program offers preparation in staff development, and patient and community education.

- ◆ Part-time or full-time study
- ◆ 36 to 39 credits
- ◆ Convenient, online, and distance friendly formats
- ◆ Can be completed in less than two years of full-time study

Post-Master's Certificate

Do you already have a Master's Degree in Nursing, but want credentials as a Nurse Educator? If so, this program is for you!

- ◆ Online and Distance learning friendly!
- ◆ 5 courses
- ◆ 12 credit hours
- ◆ Can be completed in two semesters
- ◆ Great preparation for Nurse Educator Certification
