Budget Officer’s Meeting Minutes
Library 303
May 20, 2014

Attendees: Darin, Wallace, Teresa Steele, Julie Abney, Vicki Evans, Sue Morris, Fred Witter, Terri Patterson, Jennifer Severson, Greg Rainwater, and Shirley Mitchell

Greg Rainwater led the discussion concerning updates to the salary savings spreadsheet from April through August 2014. Greg will modify the spreadsheets (check at the bottom of the spreadsheet beneath the black line) for updates during the interim period on an as needed basis. This will simply provide a way of tracking activity involving salary savings, but shouldn’t be considered official until Financial Services begins updating again in August.

Next month Clement Balasundaram will share about the new reports available through Bear Finance.
