Women's Basketball will submit the November SAAC newsletter. Softball will submit the December SAAC newsletter.

Updates were given on Community Service projects. Reps should collect the money for the adopted family and turn it in before Thanksgiving break if possible, but definitely by the next SAAC meeting, November 28, 2007.

A brief description of upcoming possible changes to NCAA legislation was given.

New Business:

Wyndham Resorts was on campus last year to give presentations to student-athletes about potential jobs. No one came. There was confusion about who could come – some coaches thought it was only for HRA majors – it was for anyone interested. The question was posed to SAAC about whether or not to have them return this year. It was suggested that if they do come back, it should be in the spring and a list of potential jobs along with the types of majors Wyndham is looking for should be posted.

The surveys covering The Achievement Center and Student-Athlete Equity & Welfare were distributed to the fall sports who have, or are close to, completing their seasons. The surveys were previously completed after Spring Break, but the IAC subcommittee felt that a better response rate would be achieved by having the surveys completed at the end of each team's season.

With no further issues to discuss, the meeting was adjourned at 7:31 p.m.

The next meeting will be Wednesday, November 28, at 7:15 p.m. in the Forsythe meeting rooms.
