- Students arriving more than 10 minutes late for an advising appointment will be asked to reschedule.

[www.missouristate.edu/GeneralEducation/GenEd\\_Worksheet.htm](http://www.missouristate.edu/GeneralEducation/GenEd_Worksheet.htm)
- Academic Calendar (print or online) <http://calendar.missouristate.edu/academic.asp>

- Current transcripts and degree audits. "What if" audits as appropriate.

## Policies & Procedures

---

- Appointments
  - Advising appointments are typically scheduled for 30 minutes.
  - Be on time for appointments. Please reschedule the appointment if you will be more than ten minutes late. **Please call 417 836-5258 to schedule appointments; we do not schedule appointments by email.**
- Email: Advisors will use University email as a primary means of communication with advisees. Students should correspond with advisors using their Missouri State University email account to ensure the security of their own academic record.

- Cell Phones: It is inappropriate to use your cell phone in the Academic Advisement Center. Please silence your cell phone before you come to your advising appointment.
- FERPA stands for the Family Educational Rights and Privacy Act of 1974. The broad interpretation of the law is twofold: 1) The student has the right to restrict (with certain exceptions) who does and does not have access to academic records. 2) The student has the right to access his or her own records. One issue to pay special attention to is that parent(s) or legal guardian(s) do not have automatic access to students' academic records. If a student wants the academic advisor to discuss aspects of academic progress with someone other than the student, a release form is available and can be updated at any time. For more information, refer to the web site at [www.missouristate.edu/registrar/ferpanotification.htm](http://www.missouristate.edu/registrar/ferpanotification.htm).

## Suggested Activities for Student Success

---

- Get involved in a campus organization, particularly those related to major interests.
- Meet with each instructor and academic advisor within the first month of class.
- Seek assistance if encountering difficulties with adjustment to college (classes, roommate, time management, homesickness, etc.)
- Maintain a folder with academic documents: planning forms, information about majors/careers of interest, transcripts, course syllabi, financial documents, etc.
- Maintain a calendar each semester of important academic deadlines, major projects and exams.
- Attend the Majors Fair on Wednesday, September 23 from 9 a.m. to 3 p.m. in PSU ballroom
- Work with a career counselor well before the registration period.
- Research possible majors and take a wide variety of courses.
- Conduct informational interviews or job shadow.
- Plan summer activities to include educationally valuable employment, internships, volunteer work or study away.
- Practice good study habits: attend class regularly, sit near the front of the class, use short periods of time effectively, and study in a quiet setting.
- Ask about academic resources available for student success. Services at the Center for Learning and Writing (Bear C.L.A.W. in the Meyer Library) can be of great assistance.

## Completion

---

Our time working together will conclude when you choose and declare an academic major. It is important that your choice of a major be satisfying to you and that it be in keeping with your future goals. When you declare your major, you will be assigned to a new advisor who will be a specialist in your new program.
