Kathy J. Davis, Director
University Hall, Suite 109
(417) 836-5258

The purpose of the Advisor Referral Guide is to provide resources to students who are seeking information about majors and minors at Missouri State University. **It is not intended as an advisor assignment guide.** Changes and updates should be directed to Ms. Tracey Glaessgen, University Hall 109, 836-5258.

About this Document:

The Advisor Referral Guide contains two types of information:

1. Referral information for students and others who want to talk with someone regarding a particular major.
2. Referral information about common services that students and others may need to consult such as academic advising offices, financial aid office, dean of students' office, disability services and others.

3. This document is NOT intended as an advisor assignment guide.

How to Use This Document:

This PDF document contains bookmarks on the left side of the document. If they are not apparent, click on the "Bookmarks" tab to reveal the bookmarks.

The bookmarks are in alphabetical order by major and office.

The department and office headings are hyperlinks that will take the reader to the appropriate website. Navigation to the websites takes extra time when going from a PDF file to the web.
