Announcements and Updates

1. Review of December’s unapproved minutes
2. Jillian Kinzie of Indiana University and NSSE
   a. On campus February 26th, 2015
   b. She will be meeting with Assessment Council from 9:45 to 10:45 for a data-focused talk
   c. Be thinking of what questions you and your department have for Dr. Kinzie
3. The NSSE opens for first-year and seniors Tuesday, February 10th. Please encourage your students to open their email and participate.
   a. If you’d like to participate please visit the Office of Assessment Quality Initiative Project webpage (http://www.missouristate.edu/assessment/200086.htm) and complete a reviewer application.
   b. The submission form is also available at this website to submit student work.

Old Business

1. Update on University Exit Exam
   a. Available through Blackboard this semester for students enrolled in GEN 499
   b. Office of Assessment website contains student information
   c. The added public affairs open-ended question will feed into the Comprehensive Public Affairs Assessment Plan. The goal is that the ETS, Exit Survey questions, and PA portion can be widely disseminated and used by departments. How would you like to see this information for your department? What information would you like to draw from this exam?

New Business

1. HLC Criterion 3 and Criterion 4 Feedback – Review the information and consider the following questions:
   a. Do you have some good examples to support the information that are not included in this report? Do you see gaps in information that can be filled in? Are there any pieces missing?
2. Volunteers for a sub-committee to review HERI, CIRP, and perhaps one or two other institutional surveys and recommend a survey for the next cycle at the March 17 meeting. The goal is to have a yearly cycle of some institutional survey.

Upcoming Meetings:

   February 10        March 17
