

**CITIZENSHIP AND SERVICE LEARNING**

**Component Service-Learning Courses**

**Spring 2010**

The Citizenship and Service-Learning (CASL) program enables a student to earn an additional hour of credit in selected courses in exchange for 40 hours of service that is relevant to the course content and benefits an external government or service agency. Each department that offers service-learning provides a 300- or 500-level, one credit service-learning course whose hours are arranged. A student who wants the service-learning option will register for the SL designated course (**SLDC**) and the SL component course (**SL**) simultaneously.

If you are enrolled in this course/section:		You <u>may</u> enroll in this Service Learning	Class Professor	S-L Professor
