Sections identified as short will only be assessed Student Services Fees if the class is scheduled to meet on campus more than four times.

**C. Scope of the Required Student Fees Schedule**

Courses audited count in the same way as courses taken for credit in determining fees. **The required student fee schedule is subject to revision by the Board of Governors without notice.**

**D. Exceptions to the Required Student Fee Schedule**

The Provost has the authority to approve exceptions to the above required student fee schedule for courses for which the fees must be negotiated with outside agencies. The Provost or a designee may also specify courses or students for which the student services fee will not be assessed. These will generally be courses for which the students are not required to come to the campus for more than a short period of time.

A. Refunds for Full Semester Length Classes (Fall 2011 and Spring 2012)

The date used in determining the refund of fees shall be the date the student completes the transaction online or submits an official withdrawal request to the Office of the Registrar or the postmark date of withdrawal requests submitted by mail. If a student drops or withdraws from a full semester length class prior to the ninth week, the refund shall be as follows:

On or before the fifth day of the semester	100% of Tuition
Days 6 through 10 of semester	75% of Tuition
Days 11 through 20 of semester	50% of Tuition
Days 21 through 40 of semester	25% of Tuition
After the 40 <sup>th</sup> day of semester	No refund

B. Refunds for Intersession, Short Courses, and Workshops

The refund for intersession, short courses, and workshops is 100% of Required Student Fees if the class is dropped before the first day of class. Supplemental fees will be refunded at 100% with the exception of fees that have already been expended on behalf of the student.

After the first class meeting, refunds for intersession, short courses, and workshops are made on the basis of the number of class meeting days per the following schedule:

Class Days Available	75% Refund	50% Refund	25% Refund	0% Refund	Last Day to Withdraw

C. Refunds for All Other Class Lengths (including Summer 2012)

Refund periods for classes of all other lengths are proportionate to the refund periods described above. The Office of the Registrar maintains refund deadline dates for each class length.

D. Refunds for Student Services Fees

Student Services Fees are not refunded based on a percentage of the amount paid. Rather, students are responsible for the liable billing hours (i.e., the hours in which they remain enrolled).

E. Refunds for Supplemental Course and Section Fees and Program Fees

If the student withdraws on or before the fifth day of the semester, 100% of supplemental course and sections fees and program fees will be refunded. After the fifth day, no supplemental course or sections fees or program fees will be refunded.

F. Refunds for Recipients of Federal Aid

For students who are recipients of Federal Title IV student aid, refunds will be made in accordance with all applicable federal regulations.

G. Refunds for Non-Attendance

Missouri State University will consider requests for full refunds of tuition and fees from registered students who did not attend the University.

The student first should withdraw from classes. The Withdrawal Policies and Procedures, which provide a student with instructions on how to withdraw, are located at [www.missouristate.edu/registrar/withdraw.html](http://www.missouristate.edu/registrar/withdraw.html). Next, the student may submit an appeal for a refund of tuition and student services fees. Information about requesting a refund appeal, including the Refund Exception Form, can be found at: [www.missouristate.edu/registrar/feepolicy.htm](http://www.missouristate.edu/registrar/feepolicy.htm).

The student will be considered for a full refund/credit of fees provided:

1. The student must withdraw from all classes by the last day to drop a full semester course without a refund for the current semester as indicated on the academic calendar (typically four weeks prior to the last day of full semester classes);
2. There is no record the student attended any class at Missouri State University during the registered term;
3. The student did not live any length of time in University student housing;
4. The student only has charges for tuition and student services fees;
5. Proper documentation was supplied; and
6. The student has not been given a full refund for non-attendance for a previous semester.

If it is determined a student did attend any class during the semester, lived any length of time in University student housing, had charges on campus (including the bookstore, Taylor Health Center) and/or had any financial aid returned causing the returned aid to be placed on the student's account, then the student will not be eligible for a full refund/credit of fees under this policy. Any potential refund will be credited to the student's account in accordance with the current semester refund schedule ([www.missouristate.edu/registrar/feedeadlines.html](http://www.missouristate.edu/registrar/feedeadlines.html)).

## **XVIII. Changes of Schedule**

- A. Students who drop courses during the change of schedule period will receive a credit on their account in accordance with the Required Student Fees Refund Schedule (see Section XV). Because courses are not supposed to be added after the change of schedule period, dropped courses and added courses (including section changes) **will result** in an additional financial obligation for the student. Exceptions may be granted when the department of the course(s) dropped and added provides written verification to the Office of the Registrar stating that the late schedule change was required or recommended by the department.
- B. Courses may be added during the change of schedule period. Additional cost of courses added must be paid at the time the change of schedule is processed or the student must be completely enrolled in the Deferred Payment Plan.

**XIX. Exceptions to the Withdrawal and Change of Schedule Fee Refund Policy**

Exceptions to the withdrawal and change of schedule refund policies must be approved by the Office of the Registrar. Appeals must be submitted in writing within one month of the date of the withdrawal or change of schedule and should be accompanied by appropriate supporting documentation.

Courses which are offered through the Missouri State University Online Program (Internet-based instruction), and are self-paced or off-sequence in regard to the regular semester schedule, will utilize a special refund schedule adapted to the specific time frames of the individual courses. The administrators of the online program will maintain a refund schedule and authorize refunds for such courses.

Courses in the Master of Science in Computer Information Systems (MS CIS) Program, which combine an intensive on-campus residency and distance learning in an extended semester format, will utilize a special refund schedule adapted to the specific time frames of the individual courses. The College of Business Administration will maintain the refund schedule and authorize refunds for such courses.

**XX. Laboratory Course Deposit**

No deposit is required for laboratory courses. A student responsible for unusual breakage or loss of equipment will be required to pay for such breakage or loss.

**XXI. Supervised Teaching/Certification Fees**

- Supervised teaching (see Appendix A) \$ 95.00 per 8-week placement
- Supervised teaching (see Appendix A) \$190.00 per 16-week placement

### **III. Supplemental Course Fees**

Supplemental course fees may be assessed on individual courses to cover the cost of specialized supplies, equipment, or services for instructional purposes that are provided by the University to all students enrolled in the course and are in addition to routine instructional expenses. The listing of supplemental course fees in Appendix B will be identified in the catalog and class schedule and will be assessed at the time of registration.

There may be additional supplemental course fees needed during the year for selected courses. After the first class meeting, refunds for intersession, short courses and workshops are made on the basis of the number of class meeting days per the following schedule:

Refund periods for classes of all other lengths are proportionate to the refund periods described above. The Office of Registration and Records maintains refund deadline dates for each class length.

D. Refunds for Student Services Fees

Student Services Fees are not refunded based on a percentage of the amount paid. Rather, students are responsible for the liable billing hours (i.e., the hours in which they remain enrolled).

E. Refunds for Supplemental Course and Section Fees and Program Fees

If the student withdraws on or before the fifth day of the semester, 100% of supplemental course and section fees and program fees will be refunded. After the fifth day, no supplemental course or section fees or program fees will be refunded.

F. Refunds for Recipients of Federal Aid

For students who are recipients of Federal Title IV student aid, refunds will be made in accordance with all applicable federal regulations.

G. Policy Regarding Full Refund of Tuition and Fees for Non-Attendance

Missouri State University-West Plains will consider requests for full refunds of tuition and fees from registered students who did not attend the University.

The student first should withdraw from classes. The Withdrawal Policies and Procedures, which provide a student with instructions on how to withdraw, are located at <http://wp.missouristate.edu/recreg/3559.htm>. Next, the student may submit an appeal for a refund of tuition and student services fees. Information about requesting a refund appeal, including the Tuition Appeal Form, can be found at <http://wp.missouristate.edu/assets/recreg/TuitionAppealForm.pdf>.

The student will be considered for a full refund/credit of fees provided:

1. The student must withdraw from all classes by the last day to drop a full semester course without a refund for the current semester as indicated on the academic calendar (typically four to five days prior to the last day of full semester classes);
2. There is no record the student attended any class at Missouri State University-West Plains during the registered term;
3. The student did not live any length of time in University student housing;
4. The student only has charges for tuition and student services fees;
5. Proper documentation was supplied; and
6. The student has not been given a full refund for non-attendance for a previous semester.

If it is determined a student did attend any class during the semester, lived any length of time in University student housing, had charges on campus (including the bookstore) and/or had any financial aid returned causing the returned aid to be placed on the student's account, then the student will not be eligible for a full refund/credit of fees under this policy. Any potential refund will be credited to the student's account in accordance with the current semester refund schedule (<http://wp.missouristate.edu/recreg/5117.htm>).

**XI. Changes of Schedule**

- A. Students who drop courses during the change of schedule period will receive a credit on their account in accordance with the Required Student Fees Refund Schedule (see Section X). Because courses are not supposed to be added after the change of schedule period, dropped courses and added courses (including section changes), **will result** in an additional financial obligation for the student. Exceptions may be granted when the department of the course(s) dropped and added provides written verification to the Office of Academic Affairs stating that the late schedule change was required or recommended by the department.

- B. Courses may be added during the change of schedule period. Additional cost of courses added must be paid at the time the change of schedule is processed, or the student must be completely enrolled in the My Payment Plan.

## **XII. Exceptions to the Withdrawal and Change of Schedule Fee Refund Policy**

Exceptions to the withdrawal and change of schedule fee refund policy must be approved by the Office of Registration and Records. Appeals must be submitted in writing to the Office of Registration and Records within one month of the date of the withdrawal or change of schedule and should be accompanied by appropriate supporting documentation.

Missouri State University-West Plains will make the following efforts to identify students who are registered but not attending classes:

1. Discrepancy Reporting – Instructors will monitor class rosters through the Grizzly Den. After the first week of class, instructors will report students who meet the following conditions:
  - a. A student is attending class but is not on their class roster.
  - b. A student is listed on the class roster but is not attending class.In either case, the Office of Registration and Records notifies the students via letter and requests they contact the office immediately to resolve the situation.
2. Mid-Term Grade Reporting – Students earning D's and F's on their mid-term grade report are contacted via their University e-mail address, notifying them of their grade, and encouraging them to take steps to improve their grade through various means. If a student has not been attending classes, and did not take proper steps to withdraw after being reported by instructors on Discrepancy Reporting, this e-mail may generate a response.

If a student receives all F's on his/her mid-term grade report and instructors confirm that the student has not attended class, steps may be taken to administratively withdraw the student. A student who is administratively withdrawn will receive W's for those courses. The student will be responsible for paying the percentage of basic fees-tuition not refunded according to the refund schedule.

## **XIII. Laboratory Course Deposit**

No deposit is required for laboratory courses. A student responsible for unusual breakage or loss of equipment will be required to pay for such breakage or loss.

**XIV. International Students Health Insurance Fee**

This fee will be charged each semester at the time of registration to all students for whom Missouri State University has issued student visa documents. Students registered for Spring will be covered for the following Summer term. The amount will be different each semester and will change annually as determined by the bidding process.
