  - The textbook is confusing
  - He doesn't clarify his assignments.
  - The wording of his quizzes is confusing.
  - He doesn't cover a lot of things that will be on the midterm.
  - Spends too much time on certain topics, doesn't always cover all the material.
- Group 4
  - Off the topic discussions.
  - Pace of class. Its too fast sometimes.
  - Sometimes discussion is repetitive and boring.

### What suggestions do you have for changes?

- Group 1
  - Be more organized and clearer when giving out assignments and tests.
  - We would like study guides for the exams.
  - Our in-class assignments do not help us understand the material.
  - Be clearer on grading.
- Group 2
  - Organize and clarify quizzes.
  - More organized schedule of class time.
  - Organize ideas.
- Group 3
  - Return our work to us more quickly.
  - Give us a break sometime in class.
  - More experiments and group interaction.
  - More out of class activities.
- Group 4
  - Don't give us a break but let us out early.
  - Go over readings more.
