For Ozarks Technical Community College Students Interested in a Bachelor of Arts (BA) Degree

The Bachelor of Arts (BA) degree denotes a broad background in the liberal arts. There are currently 27 majors offered as BA degrees. Please check our current catalog for more information in the "Specific Degrees and Requirements" section. OTC students are encouraged to contact an advisor in their planned area of study on the Missouri State University campus to discuss the BA option, if available.

Regardless of the major selected, all BA candidates must complete the requirements listed below. If these requirements are not completed prior to transfer, students may take courses to fulfill these requirements on the Missouri State University campus and may find a greater variety of courses from which to choose. If possible, include these courses while completing your Associate of Arts degree or 42-hour block at OTC.

This information is current as of 4-11-07 and is subject to change. If you have further questions about Missouri State University majors and minors, go to www.missouristate.edu/majors
