OTC Course Equivalent	Missouri State Requirement	OTC Course Equivalent	Missouri State Requirement
PSY	PSY 121	ACC 220	ACC 201 (Optional Elective for Fashion Merchandising & Management Option)
ECO 270	ECO 155	BUS 110	FGB 135 (Optional Elective for Fashion Merchandising & Management Option)

The number of hours of optional electives needed varies, based on how many electives a student has already earned at the time of transfer. It is in a student's best interest to speak with Ms. Juncos, the advisor for this program listed above, as soon as they become interested in this major.

Some students add an optional art minor to their program of study. If so, these students may request the Art Department Head to allow OTC's ART 101, 105 and/or 110 to be counted toward the art minor. (Please note: These courses will *not* be approved to count toward a minor in art history.)

Current course codes and numbers are reflected in this chart. Please refer to the Missouri State Transfer Equivalency page at www.missouristate.edu/transfercredit for older course codes.

Potential transfer students should apply for Admission early in the semester prior to transfer in order to allow for early registration. For more information on the application process, go to the Admissions Office site at www.missouristate.edu/futurestudents.htm or call 417-836-5517.
