If you have further questions about the Missouri State University majors and minors, go to [www.missouristate.edu/majors](http://www.missouristate.edu/majors) . This information is correct as of 2-13-07 and is subject to change in future semesters.

OTC Course Equivalent	Missouri State Requirement	OTC Course Equivalent	Missouri State Requirement
TLM 214	AGH 333 (Optional Elective)	ART 101 or 105	GEP 16 for either (Optional Elective)
ACC 220	ACC 201 (Optional Elective)	DDT 100	IDM 110 (Optional Elective)

The number of hours of optional electives needed varies, based on how many electives a student has already earned at the time of transfer. It is in a student's best interest to speak with Ms. Juncos, the advisor for this program listed above, as soon as they become interested in this major.

Some students add an optional art minor to their program of study. If so, these students may request the Art Department Head to allow OTC's ART 101, 105 and/or 110 to be counted toward the art minor. (Please note: These courses will *not* be approved to count toward a minor in art history.)

Current course codes and numbers are reflected in this chart. Please refer to the Missouri State Transfer Equivalency page at [www.missouristate.edu/transfercredit](http://www.missouristate.edu/transfercredit) for older course codes.

Potential transfer students should apply for Admission early in the semester prior to transfer in order to allow for early registration.
