There may be other courses that could be completed at OTC, depending on the type of degree selected and the emphasis area if the major is comprehensive. Courses that could count toward a minor area of study are also possibilities. Students are encouraged to talk with a Missouri State advisor in the Department of Economics early in their academic career at OTC to discuss these options.

Current course codes and numbers are reflected in this chart. Please refer to the Missouri State Transfer Equivalency page at [www.Missouristate.edu/Transfercredit.asp](http://www.Missouristate.edu/Transfercredit.asp) for older course code options.

Potential transfer students should apply for admission early in the semester prior to transfer in order to allow for early registration and possible scholarship options. For more information on the application process, go to the Admissions Office site at [www.missouristate.edu/futurestudents.htm](http://www.missouristate.edu/futurestudents.htm) or call 417-836-5517.
