***How do you describe the course to students when they ask, “What is this class about?” (Without using the catalog description)?***

This courses teaches students to be able to communicate at a basic level as well as some important cultural concepts.

***Beyond meeting a CORE-42 requirement, what benefits can students realize from choosing this course?***

Students will acquire novice-level proficiency in the language and will gain a number of important cultural insights. They will be able to talk about themselves and others and to navigate everyday situations in the target language with intercultural competence.

***Other than your major/minor/certificate students, what groups of students could find this course relevant to their degree program or career path?***

Students interested in business, health care, psychology, social work, hospitality -- any field that requires interaction with the public in any way.

***Catalog Description (Fall 2022 Undergraduate Catalog)***

This course is the second part of the introductory sequence in Italian. Students reinforce Novice Mid-level proficiency and acquire Novice High-level competence in the interpersonal, interpretive, and presentational communicative modes while continuing to explore the cultural perspectives, products, and practices of Italian-speaking peoples.
