**2015-2016
COLLEGE OF BUSINESS
MISSOURI STATE UNIVERSITY**

The nationally-accredited College of Business at Missouri State University offers comprehensive major programs of study with the Bachelor of Science (B.S.) degree in Accounting, Computer Information Systems, Construction Management, Entertainment Management, Entrepreneurship, Facility Management, Fashion Merchandising and Design, Finance, General Business, Interior Design, Logistics & Supply Chain Management, Management, Marketing, Mechanical Engineering Technology, and Risk Management and Insurance. Another offering includes a Bachelor of Applied Science (B.A.S.) in Technology Management (see p. 12 for a description of the B.A.S. degree).

PROGRAM CONTENT

All major programs in business require the completion of the following categories of requirements:

1. **General Education** (see p. 8) **45-49 credit hrs.**
General Education requirements may be met through completion of the Associate of Arts degree. **Recommended sequencing plans, incorporating the requirements for the AA degree as well as the requirements for the B.S. degree in the various majors and options at MSU, are outlined beginning on p. 22.**
2. **Specific Course Requirements for All COB Majors** **36-45 credit hrs.**
Some of these courses may be used to partly satisfy general education requirements (see p. 9)¹.
3. **Major Program Requirements** **23-75 credit hrs.**
These are specialized courses necessary to complete a comprehensive program and are listed in the MSU Undergraduate Catalog under individual major areas of study.
4. **Additional courses** to total 125 hours for the degree, 40 hours of upper-division (300+), and at least 63 hours¹ (50% of the hours recommended for graduation) of non-business credits recommended (excluding ENG 100, IDS 117, MTH 101, 102, and 103, but QBA 237 and 337 may be counted as course work outside COB) **0-23 credit hrs.**

¹Does not apply to Construction Management, Facility Management, Fashion Merchandising and Design, Interior Design, Mechanical Engineering Technology, and Technology Management majors.

ADMISSION TO A B.S. DEGREE IN BUSINESS

All students who plan to apply for admission to the College of Business should declare a major in one of the seven academic departments of the College upon admission to the University and seek enrollment advice through the Business Advisement Center.

Students in good standing at MSU (not on probation) are eligible to be considered for admission to a B.S. degree program in the College of Business upon the completion of at least 54 semester hours including the following preparation courses:

COURSE	SUBJECT	HOURS
ACC 201 & 211 ¹	Accounting	6
CIS 200	Critical & Creative Thinking Using IT	3
COM 115	Public Speaking	3
ECO 155 & 165 ¹	Economics (Macro and Micro)	6
ENG 110	English Composition	3
MGT 286 ¹	Business Communications	3
MTH 135 or above (excluding 145) ²	College Algebra	3
PSY 121	Introductory Psychology	3
QBA 237	Business Statistics	3
LAW 231	Legal Environment of Business	3
¹ Not required for Construction Management, Facility Management, Fashion Merchandising and Design, Interior Design, Mechanical Engineering Technology, and Technology Management majors. ² MTH 135 required for Interior Design. MTH 261 or 287 required for Construction MGT. MTH 181 required for Facility MGT. MTH 261 required for Mechanical Engineering Technology.		

¹Admission to the College of Business is limited to a total of 2,000 majors at the combined junior and senior levels. Admission decisions will be determined by applicants' combined (MSU plus transfer) grade point average. However, all applicants whose combined grade point average is 2.50 or higher and otherwise meet the admission criteria, will automatically be admitted upon application. Factors in addition to grade point average may be considered in unusual cases, but exceptions to the prevailing minimum grade point average will be limited to five percent of the 2,000 majors at the combined junior and senior levels.

Students should gain admission to the College by that semester in which they have earned a total of 75 semester hours of college credit (including transfer credit). Students who do not gain admission as expected will not be permitted to register for the following semester without special permission. Students should contact the College of Business Advisement Center regarding the granting of special permission to register.

Business majors cannot be enrolled in upper-division (300+) business courses until their degree program has been finalized. Business majors who have enrolled in upper-division business courses without having met all admission requirements will be dropped from those courses.

¹ GPA and admission limits do not apply to the Construction Management, Facility Management, Fashion Merchandising and Design, Interior Design, Mechanical Engineering Technology, and Technology Management majors.

TRANSFER OF COURSEWORK TO MSU

Students transferring from an accepted Missouri community college may request simultaneous admission to the community college and the business program at Missouri State University. Upon successful completion of all specified requirements, students are guaranteed automatic admission to the College of Business. Contact your advisor or MSU's Business Advisement Center for information on the “**parallel admission program.**”

Students planning to transfer to MSU should expect to complete most of their specific business courses during their junior and senior years. A student may transfer General Education or foundation courses equivalent to those required for the business degree at MSU.

A formal, course-by-course evaluation of your transfer work will be prepared after you have applied for admission to MSU. Although the Office of Admissions is unable to provide such an evaluation to prospective students prior to application, this transfer guide should answer most, if not all, of your questions. For further information, please contact the Business Advisement Center.

Effective Fall 2001 or later a student transferring from any regionally-accredited college or university with an Associate of Arts degree will be considered to have met the general education requirements at MSU. Students who have had a course in American Government that did not include a study of the Missouri Constitution must complete PLS 103. The following are special requirements which will be required if not taken as a part of the Associate of Arts or General Education program:

- Required for the Business Unit (Accounting, Computer Information Systems, Finance and General Business, Management, and Marketing): CIS 200, COM 115, ECO 155, ECO 165, PSY 121, MTH 135, and the globalization requirements.
- Required for Construction Management majors: ECO 155, MTH 261 or MTH 287, PHY 123 or PHY 203, GLG 110 or GRY 142, BIO 101 or GLG 115, CIS 200 or CSC 210.
- Required for Facility Management majors: ECO 155, PSY 121, MTH 181, BIO 101/111, CHM 116/117.
- Required for Fashion Merchandising and Design: PSY 121, ECO 155
- Required for Interior Design: MTH 135, PSY 121
- Required for Mechanical Engineering Technology: MTH 261, PSY 121, PHY 203, ENG 210

POLICY REGARDING TRANSFER OF COURSES TAKEN AT THE LOWER-DIVISION LEVEL FOR UPPER-DIVISION CREDIT

It is the policy of the College of Business, in cooperation with academic departments, to assure that all students who are granted the baccalaureate degree, including students completing some work in transfer and those completing all course work at Missouri State University (MSU), receive an educational experience of similar quality.

In order to assure high standards in the educational programs, the academic departments reserve the right to evaluate and make a determination regarding the equivalency of courses taken at other institutions to be accepted for credit toward fulfillment of a baccalaureate program at MSU.

A course completed at the lower-division level (such as one completed toward fulfillment of an Associate of Science or Associate of Applied Science degree) but which is deemed by an academic department to be similar in content to an MSU course at the upper-division level, may be accepted for equivalent credit if the student can successfully demonstrate a level of achievement necessary to satisfactorily complete remaining upper-division course work.

In order to assure this level of achievement, academic departments have established appropriate validating procedures for those courses frequently received in transfer. Other courses may be evaluated and appropriate validating procedures established on an individual basis. For those transfer courses requiring validation through completion of an additional course, a grade of "C" or better is required in the validating course.

These are the courses for which validating procedures have been established:

ACC 301 - Intermediate Accounting

Validating Course: ACC 302 - Intermediate Accounting II

MGT 340 - Organizational Behavior and Development

Validating Course: MGT 341 - Advanced Organizational Behavior and Development

CIS 326 - Database Management Systems Concepts and Design

Validating Course: CIS 528 - Database Management Systems Implementation

CIS 321 - Information Systems Analysis and Design

Validating Course: CIS 431: Structured Systems Design

CIS 370 – Web Application Development for Business I

Validating Course: CIS 375: Web Application Development for Business II

The following courses are validated by examination:

MKT 350 - Principles of Marketing
MKT 351 - Consumer Market Behavior
MKT 352 - Personal Selling
MKT 354 - Principles of Advertising
MKT 355 - Principles of Retailing

Any questions regarding the validation process or requests for validation should be directed to the Business Advisement Center. Please note that the validation process is **NOT** automatic. The student must request permission to complete the validation requirements by signing a form in the Business Advisement Center. Validation by exam must be completed within the semester of admission. Validation by additional coursework must be requested in the Business Advisement Center the semester of transfer and must be completed within one year.

*Transfer courses accepted by community colleges are subject to approval of Department Heads at MSU-Springfield.

*CLEP credit awarded by the community college may not be accepted by MSU-Springfield.

*Students are strongly encouraged to seek advisement at the community college and at MSU-Springfield if they are transferring the 42-hour block.

SPECIFIC REQUIREMENTS AND COURSE PLANNING

(Both sections I and II must be completed)

I. GENERAL EDUCATION REQUIREMENTS

Refer to page 11 of this document, or contact the MSU Admissions Office if you have questions about course comparability.

Courses	Hours	GEC Code	Courses	Hours	GEC Code
I. FOUNDATIONS			Four different course codes to satisfy the Human Cultures area.		
GEP 101 – First-Year Foundations/(UHC honors) (waived if transferring 24 hours taken after high school)	2	GEC 101	B. Human Cultures		
ENG 110 – Writing I	3	GEC 102	1. Social & Behavioral Sciences (6)		
COM 115 – Fund of Public Speaking	3	GEC 103	ECO 155 – Principles of Macroeconomics ²	3	GEC 110
MTH 135 – College Algebra or Above ²	3-5	GEC 104	ECO 165 – Principles of Microeconomics ²	3	
(Interior Design majors must take MTH 135)			PSY 121 – Introductory Psychology ²	3	
(Construction MGT majors must take MTH 261 or 287)			SOC 150 – Introduction to Society	3	
(Facility MGT majors must take MTH 181)			2. Humanities (3)		
(Mechanical Engineering Technology majors must take MTH 261)			AAS 100 – Intro to African American Studies	3	GEC 111
Complete one of the following Written Comm. courses: ^{3,4}	3	GEC 105	ART 271 – History of Western Art I	3	
ENG 210 – Academic Writing (3) ²			ART 272 – History of Western Art II	3	
ENG 221 – Writing for the Professions (3)			ART 273 – Surv. Art of Africa, Oceania, & Americas	3	
ENG 321 – Beginning Technical Writing (3)			ART 274 – Survey of Asian Art	3	
II. BREADTH OF KNOWLEDGE			ENG 200 – Great Books & Instant Classics	3	
A. Natural World			ENG 282 – Literature by Women	3	
Select from two areas. One must have a lab (7-9)			ENG 283 – Folklore & Cultural Engagement	3	
1. Life Science (3-4 credit hrs.) / GEC 107 (no lab)/GEC 106 (lab)			HST 103 – World History to Circa 1600 C.E.	3	
BIO 100 – Biological Science for Educators	4(3-3)		HST 104 – World History Since 1600 C. E.	3	
BIO 101 – Biology in Your World ²	3(3-0)		LLT 121 – Classical Mythology	3	
BIO 111 – Understanding Bio Systems Through Inquiry ²	1(0-2)		MED 274 – Introduction to Film	3	
BIO 121 – General Biology I	4(3-3)		MUS 241 – The Language of Music	3	
BMS 100 – Concepts/Issues in Life Sciences	3(3-0)		PHI 110 – Intro to Philosophy	3	
BMS 101 – Concepts/Lab in the Life Sciences	1(0-2)		REL 101 – Lit and World Old Testament/Hebrew Bible	3	
BMS 110 – Intro to the Biomedical Sciences	3(3-0)		REL 102 – Lit and World of New Testament	3	
BMS 111 – Intro to Lab in Biomedical Science	1(0-2)		3. The Arts (3)		
GLG 115 – Life of the Past ²	3(3-0)		ART 200 – Art in Context	3	GEC 112
2. Physical Science (3-5 credit hrs.) / GEC 109 (no lab)/GEC 108 (lab)			DAN 180 – Introduction to Dance	3	
AST 113 – Modern Astronomy	3(3-0)		ENG 203 – Creative Writing: Poetry	3	
AST 114 – Survey of Astronomy	4(4-0)		ENG 205 – Creative Writing: Nonfiction	3	
AST 115 – Basic Astronomy	4(3-2)		ENG 215 – Creative Writing: Short Story	3	
CHM 107 – Chemistry for the Citizen	3(3-0)		MUS 239 – Introduction to World Music ²	3	
CHM 108 – Chemistry for the Citizen Lab	1(0-2)		THE 101 – Intro to Theatre and Drama Arts	3	
CHM 116 – Fundamentals of Chemistry ²	4(4-0)		Four different course codes to satisfy the Public Affairs area.		
CHM 117 – Fundamentals of Chemistry Lab ²	1(0-2)		C. Public Affairs		
GLG 110 – Principles of Geology ²	4(3-2)		1. US & MO Constitutions/American HST (6)		
GLG 171 – Environmental Geology	3(3-0)		HST 121 – Survey History of U.S. to 1877	3	GEC 113
GRY 135 – Principles of Weather & Climate	4(3-2)		HST 122 – Survey History of U.S. since 1877	3	
GRY 142 – Introductory Physical Geography ²	4(3-2)		PLS 101 – American Democracy and Citizenship ⁵	3	GEC 114
PHY 100 – Survey of Physics	4(3-2)		2. Cultural Competence (3)		
PHY 101 – Physics by Inquiry for Educators	4(2-6)		ANT 100 – World Cultures ²	3	GEC 115
PHY 123 – Intro to Physics I ²	4(3-2)		ENG 289- Literature, Culture, Conflict	3	
PHY 203 – Foundations of Physics I ²	5(4-2)		GRY 100 – World Regional Geography ²	3	
			IDS 297 – International Culture & Study Abroad	3	
			LLT 180 – The Heroic Quest	3	
			MCL 200 – Global Persp. Lang. & Culture in Society	3	
			MTH 121 – Multicultural Views of History & Math.	3	
			REL 100 – Intro to Religion	3	
			REL 210 – Paths of World Religion ²	3	
			SWK 219 – Human Diversity	3	
			3. Public Issues (3)		
			CIS 200 - Critical & Creative Thinking Using Info Tech ²	3	GEC 116
			CSC 210 – Public Affairs Issues in Computing ²	3	
			**TOTAL HOURS = 45-49 credit hours		

² ECO 155, ECO 165, PSY 121 and CIS 200 are special COB Requirements. MUS 239, REL 210, GRY 100 and ANT 100 can count on the globalization requirements for the business unit. Construction Management majors: PHY 123, GLG 110 or GRY 142, ECO 155, CIS 200 or CSC 210, BIO 101 or GLG 115 (recommended), Facility Management majors: ECO 155, PSY 121, BIO 101/111, CHM 116/117. Fashion Merchandising and Design majors: PSY 121, ECO 155. Interior Design majors: PSY 121. Mechanical Engineering Technology: MTH 261, PSY 121, PHY 203, ENG 210

³ The Writing I and II requirements can be met with ENGL 111 & ENGL 112 (or 105) at Three Rivers College.

⁴ ENG 321 preferred for Construction Management majors.

⁵ Meets Senate Bill No. 4.

II. SPECIFIC REQUIREMENTS FOR ALL BUSINESS MAJORS

Refer to page 11 of this document or contact the MSU Admissions Office if you have questions about course comparability.

COURSES	HOURS
LOWER-DIVISION REQUIREMENTS:	
Principles of Microeconomics (ECO 165 ¹)	3
Introduction to Financial Accounting (ACC 201)	3
Introduction to Managerial Accounting (ACC 211 ¹)	3
Computer Applications for Business (CIS 201 ¹)	2
Business Communications (MGT 286 ¹)	3
Business Statistics (QBA 237)	3
Legal Environment of Business (LAW 231)	3
¹ Not required for Construction Management, Facility Management, Fashion Merchandising and Design, Interior Design, Mechanical Engineering Technology, and Technology Management majors.	

GLOBALIZATION REQUIREMENTS¹	6
<p>The College of Business recommends six hours of a single foreign language. However, the Globalization requirement can be met with 6 hrs. of either foreign language or foreign culture. At least 3 hours must be non-business. The foreign culture courses may be chosen from the following:</p>	
<p><u>ANT 100^H, 226, 330, 331, 332, 334, 335, ECO 346, 456, 565, ENG 341, 361, GBL 250, GRY 100^H, 305, 308, 320, 321, 323, 328, HST 200, 340, 350, 355, 380, 381, IDS 397, LLT 215, 225, MCL 303, MUS 239^H, PLS 205, 232, 544, 545, 548, 550, REL 210^H, 330, 350, 355, 360, SOC 150, APPROVED INTERNATIONAL STUDY TOURS. (ACC 506, FIN 582, FIN 586, MGT 447, MKT 464, 474, AND LAW 539 MAY BE USED TO SATISFY ONE FOREIGN CULTURE COMPONENT OF THE GLOBALIZATION REQUIREMENT, BUT NO MORE THAN 50% OF THE HOURS REQUIRED FOR GRADUATION ARE RECOMMENDED TO BE BUSINESS COURSES.)</u></p>	
<p>^HCOURSES MARKED WITH AN "H" MAY BE USED TO SATISFY THE ARTS AREA AND CULTURAL COMPETENCE AREA FOR GENERAL EDUCATION.</p>	
<p>¹Not required for Construction Management, Facility Management, Fashion Merchandising and Design, Interior Design, Mechanical Engineering Technology, and Technology Management majors.</p>	

UPPER-DIVISION COURSES: (Does not apply to Construction Management, Facility Management, Fashion Merchandising and Design, Interior Design, Mechanical Engineering Technology, and Technology Management majors.)

The 19 hours of upper-division business core requirements are expected to be completed during the junior and senior years. These courses should be taken at MSU. However if similar courses are taken at a two-year institution, validation through additional coursework or testing will be required.

UPPER-DIVISION COURSES		HOURS
Information Systems in Business	CIS 429 ¹	3
Financial Management	FIN 380	3
Organizational Behavior & Management	MGT 340	3
Operations Management	MGT 364 ²	3
Strategic Management & Policy	MGT 487	3
Principles of Marketing	MKT 350	3
Debtor/Creditor Rights and Remedies	LAW 332	1

¹ACC majors take ACC 341; CIS majors take CIS 461.

²MKT majors (not Logistics & Supply Chain MGT) can take MKT 450 in place of MGT 364.

SPECIAL REQUIREMENTS:

- A) Not more than 50 percent of the hours required for graduation is recommended to be business. This means that a minimum of 63 hours of non-business courses is recommended to be taken. (ENG 100; MTH 101, 102, 103; and IDS 117 are excluded from meeting this requirement). QBA 237 and QBA 337 may be counted as non-business courses. Construction Management, Facility Management, Fashion Merchandising and Design, Interior Design, Mechanical Engineering Technology, and Technology Management majors may take no more than 31 hours of business unit courses (ACC, CIS, FIN, BUS, LAW, INS, MGT, MKT).
- B) At least 50 percent of all business courses required for a degree must be taken at MSU.
- C) MSU GPA of 2.50 or above on all upper-division business courses taken at MSU is required at the time of graduation.

III. MAJOR PROGRAM REQUIREMENTS

The upper-division major program courses should be taken at MSU. If similar courses are taken at a two-year institution, validation through additional coursework or testing will be required.

IV. ADDITIONAL REQUIREMENTS

Additional courses to total at least 125 hours for the degree, 40 hours of upper-division (300+), and at least 63 hours (50 percent of the hours recommended for graduation) of non-business credits recommended (excluding ENG 100, IDS 117, MTH 101, 102, and 103, but QBA 237 and QBA 337 may be counted as coursework outside COB.)

TECHNOLOGY MANAGEMENT (COMPREHENSIVE) – BACHELOR OF APPLIED SCIENCE

All hours completed in a two-year technical degree, such as an A.S. or A.A.S., may be applied to the B.A.S. in Technology Management.

All of the required courses can be completed online or remotely through interactive television. Online and remote delivery of MSU courses will greatly reduce or eliminate the time required on the MSU campus for students.

Requirements for graduation with a B.A.S. are as follows:

1. Associate of Science or Associate of Applied Science degree from an accredited institution. Contact the department for details.
2. 40 hours of advisor approved upper-division courses, twelve hours of which must be from the Department of Technology and Construction Management to include TCM 359 (3) and TCM 358 (3).
3. General Education Requirements – see “Academic Programs and Requirements” section of catalog.
4. General Baccalaureate Degree Requirements – see “Academic Programs and Requirements” section of catalog.

FASHION MERCHANDISING AND DESIGN (COMPREHENSIVE) - BACHELOR OF SCIENCE

1. Core Requirements (37 hours): FMD 101(1), 103(3), 201(3), 202(3), 210(3), 301(3), 303(3), 304(3), 305(1), 306(3), 307(3), 403(2); MKT 350(3), 351(3)
2. Complete one of the options:
 - a. Fashion Design and Product Development (25 hours): ART 115(3); FMD 270(3), 370(3), 371(3), 372(3), 402(4), 470(3), 570(3)
 - b. Fashion Merchandising and Management (28 hours): ACC 201(3); LAW 231(3); FMD 360(3); 361(3); 401(4), 460(3), 560(3); MGT 340(3); MKT 354(3)
3. General Education Requirements – see “Academic Programs and Requirements” section of catalog (PSY 121 and ECO 155 are required for major).

4. Public Affairs Capstone Experience Requirement (to be determined)
5. General Baccalaureate Degree Requirements – see “Academic Programs and Requirements” section of catalog.

INTERIOR DESIGN (COMPREHENSIVE) - BACHELOR OF SCIENCE

1. Major Requirements:
 ART 115(3), 215(3); ACC 201(3) or MKT 350 (3); HID 140(3), 201(3), 202(3), 208(3), 241(3), 303(3), 304(3), 325(1), 344(3), 346(3), 405(3), 406(3), 408(3), 424(2), 441(2), 499(4); LAW 231(3); TCM 123(3), 221(3), 313(3), 320(3), 321(3), 322(3), TCM 324 (3)
2. Public Affairs Capstone Experience will be fulfilled by completion of HID 499(4).
3. General Education Requirements – see “Academic Programs and Requirements” section of catalog (MTH 135 and PSY 121 are required for major).
4. General Baccalaureate Degree Requirements – see “Academic Programs and Requirements” section of catalog.

ADMISSION TO THE UNIVERSITY

Admission decisions are made on a rolling basis after necessary information is received by the Office of Admissions.

Applications are available from the Admissions Office and most Missouri high schools and community colleges. An online application is also available on our website (www.missouristate.edu/apply). Application deadlines are July 20 for the fall semesters, December 20 for spring semesters, and May 20 for summer sessions. Students are encouraged to apply up to one year in advance. Early applicants may receive advantages in registration, housing, and financial aid.

Students who have completed 24 or more transferable credit hours subsequent to graduation from high school with at least a 2.00 cumulative grade point average are guaranteed admission as transfer students. Student with fewer than 24 transferable credit hours must also meet the freshman admission requirements.

Students who apply while enrolled at another college or university may also be admitted on a pending basis but must supply an official, final transcript

verifying an overall grade point average of 2.00 or higher on transferable courses to complete their admission.

It is the University's policy to award credit for courses taken through institutions accredited by a regional accrediting agency. **Effective Fall 2001, students transferring from a regionally-accredited institution with an Associate of Arts degree will be considered to have met the lower division general education requirements at MSU.**

Courses taken through non-accredited institutions are not accepted in transfer unless approved by the dean of the college in which a student plans to major. A copy of the transfer credit policy for undergraduates is available from the Admissions Office.

A course-by-course evaluation of transfer credit is sent to students after they have been admitted. Questions regarding these evaluations should be referred to the Admissions Office. Students transferring from other Missouri colleges (especially public colleges) should be aware that a designated articulation officer is available on each campus to assist students who encounter difficulty in transferring courses. Dr. Rachelle Darabi, Associate Provost for Student Development/Public Affairs, is the articulation officer for general education courses at MSU. **Transfer equivalencies for most Missouri colleges and universities are available on our website at <https://www.secure.missouristate.edu/appadm/transequiv/transequiv.asp>**

Admission to the University does not guarantee admission to a specific degree program. Majors within the College of Business have grade point average requirements higher than the minimum required for University admission.

Transfer credit is awarded and posted to transcripts only for students who enroll at MSU subsequent to completing coursework at other institutions.

TRANSFER STUDENT ADVISEMENT AND REGISTRATION

All admitted transfer students will receive an informational packet regarding advisement and registration. All new transfer students are required to meet with an advisor prior to registration for their first semester. All transfer students planning to major in business should contact the Business Advisement Center, 417-836-5386, to schedule an appointment with an advisor prior to registration.

TYPICAL EXPENSES

Student Fees

Basic Fee + Student Services (\$455) for 15 Hours

Resident \$3,530 - \$205 per credit hour

Non-Resident \$6,965 - \$434 per credit hour

Rates include Residence Hall Association activity fee of \$12 per semester, or \$24 per academic year and a Meals per Week plan. In addition, you must select a BoomerMeals plan. Information provided by the Residence Life & Services website.

Your Meal Plan = Meals per Week + BoomerMeals

BoomerMeals are similar to a debit account and are added to your account each semester. Use your BoomerMeals at any dining location on campus. Remaining BoomerMeals will roll over from the fall semester to spring semester.

- \$160 value.....actual cost is \$145.00 per semester
- \$215 value.....actual cost is \$195.00 per semester
- \$270 value.....actual cost is \$245.00 per semester

DEFERRED PAYMENT PLAN

MSU has a Deferred Payment Plan which allows students to defer payment of required student fees and residence hall charges. In addition, MSU students, faculty, and staff will be allowed to use their identification numbers to charge miscellaneous charges and fines, including Taylor Health and Wellness Center charges, long distance telephone charges, Bookstore charges, and library fines. These miscellaneous charges are not deferred, but are due when billed.

Fee payment deadlines are stated on each student's registration invoice. The remainder of the required student fees and residence hall charges, if applicable, must be paid in monthly installments with the balance being paid in full by the fifteenth of the month preceding the end of the semester.

The terms and conditions of the Deferred Payment Plan are included in the web registration Enrollment Agreement and the monthly accounts receivable statement.

FINANCIAL ASSISTANCE

MSU offers a comprehensive program of financial assistance. The program consists of scholarships, awards, loans, grants, and work-study programs. In addition, athletic grants-in-aid are provided for selected student athletes, and the Student Employment Office helps students find part-time work.

MISSOURI COMMUNITY COLLEGE SCHOLARSHIP

VALUE	\$2,000 per year
CRITERIA	Missouri public community college presidents may each nominate two students to receive this scholarship. Students must have completed (or must complete prior to their first semester at MSU) at least 42 transferable hours at the community college with a cumulative grade point average of 3.40 or higher. The exclusion of enrollment at other four-year colleges or universities does not apply to this scholarship.
RENEWABLE	Renewable for one year for students who successfully complete 24 hours at MSU with a cumulative MSU grade point average of 3.40 or higher.
APPLICATION	Community college presidents must submit letters of recommendation to the MSU Office of Student Financial Aid.
DEADLINE	May 1.
AVAILABLE	Two for each Missouri public community college per year.

PHI THETA KAPPA SCHOLARSHIP

VALUE	\$2,000 per year
CRITERIA	Students must be active members of Phi Theta Kappa who have completed (or must complete prior to their first semester at MSU) at

least 42 transferrable hours at the community college with a cumulative grade point average of 3.50 or higher.

RENEWABLE	Renewable for one year for students who successfully complete 24 hours at MSU with a cumulative MSU grade point average of 3.40 or higher.
APPLICATION	Apply for admissions and complete the Phi Theta Kappa Scholarship Application.
DEADLINE	March 1 for summer/fall admissions; October 1 for spring admissions.
AVAILABLE	Varies

TRANSFER ACADEMIC SCHOLARSHIP

VALUE	\$1,500 per year
CRITERIA	Students must either have completed (or must complete prior to their first semester at MSU) at least 42 transferable hours at the community college with a cumulative grade point average or 3.50 or higher.
RENEWABLE	Renewable for one year for students who successfully complete 24 hours at MSU with cumulative MSU grade point average or 3.40 or higher.
APPLICATION	Apply for admissions and complete the online Transfer Academic Scholarship Application by the deadline.
DEADLINE	March 1 for summer/fall admissions; October 1 for spring admissions.
AVAILABLE	Varies

Information provided by the Financial Aid website. Additional scholarship information for 2015-2016 can be found at www.missouristate.edu/financialaid/scholarships/

CLASSIFICATION OF STUDENTS

Students are classified according to the number of hours of credit earned as follows:

Freshmen, 0-29; Sophomores, 30-59; Juniors, 60-89; Seniors, 90+.

The definition of a full-time student varies according to the institution or agency concerned. At this University, the normal load is 15 to 16 credit hours per semester. However, undergraduate students carrying 12 or more credit hours and graduate students carrying 9 or more credit hours in the fall or spring semester are considered full-time students.

Undergraduate and graduate students carrying 6 or more credit hours during the summer session are considered full-time students. Enrollment status may be reported to such agencies as the National Student Clearinghouse.

CREDIT BY EXAMINATION

Missouri State University recognizes four credit by examination programs: Advanced Placement (AP); College Level Examination Program (CLEP); International Baccalaureate Program (IB); and Missouri State departmental examinations.

Please refer to the website at: www.missouristate.edu/admissions/credbyexam.htm for the complete current policy including minimum scores required for credit.

STUDENT CONDUCT

When students enroll at the University, they do so voluntarily and in so doing implicitly accept certain obligations of performance and behavior established by the University, as defined in the Code of Student Rights and Responsibilities and other Official University publications. The complete Code of Student Rights and Responsibilities is available at www.missouristate.edu/studentconduct or from the Office of Student Conduct, Plaster Student Union, room 405, (417) 836-6937.

RIGHTS AND PRIVACY ACT

Missouri State University adheres to a policy of compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA). Eligible students have four primary rights under FERPA including the right to: (1) inspect their education records, (2) consent to disclosure of personally identifiable information except to the extent that FERPA authorizes disclosure without consent, (3) seek correction of their records, to prevent inaccurate or misleading information, and (4) file a complaint with the U.S. Department of Education if they feel their rights are being violated.

ACADEMIC FREEDOM

The University is committed to freedom of thought and inquiry for both faculty and students. This commitment ensures the protection of the faculty's freedom to teach, research, and publish in their professional capacity without restraint or fear of reprisals. Academic freedom is essential to the University's instruction and research programs. Freedom in research is fundamental to the advancement of truth. Academic freedom in instruction is essential for the protection of the rights of faculty to teach, and the freedom of students to learn.

NONDISCRIMINATION POLICY

Missouri State University is a community of people with respect for diversity. The University emphasizes the dignity and equality common to all persons and adheres to a strict nondiscrimination policy regarding the treatment of individual faculty, staff, and students. In addition, in accord with federal law and applicable Missouri statutes, the University does not discriminate on the basis of race, color, religion, sex, national origin, ancestry, age, disability, or veteran status in employment or in any program or activity offered or sponsored by the University. In addition, the University does not discriminate on any basis (including, but not limited to, political affiliation and sexual orientation) not related to the applicable educational requirements for students or the applicable job requirements for employees. This policy shall not be interpreted in a manner as to violate the legal rights of religious organizations or military

organizations associated with the Armed Forces of the United States of America. The University maintains a grievance procedure incorporating due process available to any person who believes he or she has been discriminated against. Missouri State University is an Equal Opportunity/Affirmative Action employer.

Inquiries concerning the grievance procedure, Affirmative Action program, or compliance with federal and state laws and guidelines should be addressed to:

H. Wes Pratt
Equal Opportunity Officer

Courses in Bold are requirements for Bachelor of Science Degree also.

* These courses are Admission Requirements to the College of Business at MSU.

¹These courses will complete the Social and Behavioral Sciences requirement for the A.A. Degree at Three Rivers.

²These courses will complete the Humanities requirement for the A.A. Degree at Three Rivers.

³Choose two courses in the natural and physical sciences, one of which must have a laboratory component; one course from each of the two disciplines is required.

⁴Choose from: ACC 504, 506, 513, 524, 525, 532, 555, 556.

⁵For graduation, at least 125 hours is required. Note that at least fifty percent of the total coursework is recommended to be outside the College of Business and may include QBA 237 and 337. Fifty percent of all business coursework must be completed at MSU. At least 40 hours of upper division, 300-level or above coursework, is required for graduation. Accounting majors must have 90 hours outside of ACC courses.

⁶Globalization requirements include six hours of foreign language or culture. At least three hours must be non-business.

Note: This is for advisement only. All students must meet the requirements as outlined in the degree programs and the appropriate University Catalog.

*ACC majors must receive a B or higher in ACC 201 (ACCT 211) & ACC 211 (ACCT 212).

*Must get a C or higher in College Algebra (MATH 163) if ACC 201 & QBA 237 are taken at MSU.

⁴Choose from: ACC 321, FIN 381, 367, 538, INS 314, 397, BUS 550.

⁵For graduation, at least 125 hours is required. Note that at least fifty percent of the total coursework is recommended to be outside the College of Business and may include QBA 237 and 337. Fifty percent of all business coursework must be completed at MSU. At least 40 hours of upper division, 300-level or above coursework, is required for graduation.

⁶Globalization requirements include six hours of foreign language or culture. At least three hours must be non-business.

*Must get a C or higher in College Algebra (MATH 163) if ACC 201 & QBA 237 are taken at MSU.

*Must get a B- or higher in FIN 380.

Missouri State University - College of Business

GENERAL BUSINESS MAJOR

B.S. Comprehensive 7/30/2015

FINANCE AND GENERAL BUSINESS DEPARTMENT

This is a model plan four year graduation plan. Your path to graduation may vary slightly based on factors such as college credit you earned while in high school and your choice of general education electives.

This degree program can be completed in eight semesters.

<p><i>First Semester at Three Rivers</i></p> <p>*College Writing - ENGL 111 3 *College Algebra - MATH 163 3 *General Psychology - PSYC 111 3 American History - HIST 111 OR 112¹ 3 Lifetime Wellness or 2 PE Activities 2 Humanities/Foreign Language^{2,6} 3 17</p>	<p><i>Second Semester at Three Rivers</i></p> <p>Adv. College Writing - ENGL 112 3 *Public Speaking - SCOM 110 3 Lab Science³ 5 *Principles of Accounting I - ACCT 211 3 *Legal & Ethical Environ. of Bus. - BLAW 221 3 17</p>
