## EDUCATOR PREPARATION PROVIDER

### WELCOME BACK by Chris Craig

I hope you are recharged and ready for an incredible and productive academic year! Ongoing in 2018-2019, we will be preparing for accreditation with a CAEP visit scheduled for fall 2019. Hill Hall is receiving final renovating touches while faculty and staff are settling in. We've kicked off the year with MEES trainings and a Program Coordinator meeting to bring everyone up to speed on current issues and changes. I hope you are feeling energized as we work together to meet this year's unique challenges in providing an exceptional education for our teacher candidates.

Dr. Chris Craig,  
Deputy Provost  
and  
Head of EPP

### TEACHER CANDIDATE FEES

An updated Teacher Candidate Fees sheet is attached. This can be a useful tool when advising students. Most notable is that MoPTA has been replaced with MEES for which there is no charge. This is good news for students trying to manage their costs.

### EPP CALENDAR

The 2018-2019 EPP calendar is attached. It contains all committee meeting dates, times, and locations for the fall semester. This information is also posted for the individual committees on the EPP website.

### REMINDER THAT MEP IS NO LONGER REQUIRED

Over the summer an email went out to all EPP members announcing that DESE removed the Missouri Educator Profile (MEP) as a certification requirement. The Executive Committee approved removing the requirement from the 2018-2019 undergraduate and graduate catalogs. This action keeps our education program in alignment with DESE certification requirements and advantages our students by removing a cost for an assessment that is no longer required. Programs may continue to use it if they choose.
