III. Discussion Items

1. Unit update: Dr. Chris Craig
 - a) We have been working to look at the scope of work for the Director of Secondary Education since Dr. Engler's situation has changed and she will be more engaged in CSD. New materials are being developed for Program Coordinators to assist them during the transition.

2. COE update: Dr. Barri Tinkler
 - a) DESE is no longer requiring matrices unless it's for a new program. Matrices will be posted on the MACTE website only if we post all programs. Kim Dubree will check curricular proposals to ensure they are meeting DESE certification rules.
3. Secondary Education Update: Dr. Karen Engler
 - a) Catalog updates must be made regarding Taskstream and GPA changes. Drs. Tinkler and Engler and Vicki Kramer will meet to work on it.
 - b) Dr. Craig and Dr. Engler discussed addressing the issue of culture and unique challenges in educator preparation and clinical settings. The University Supervisor meeting might be a good time to focus on this.
