**V. Old Business**

1. None

**VI. New Business**

1. There were some minor issues in the proposal process. Input from the committee is desired before bringing to EPPC. There is a question as to whether non-certifiable courses need to be reviewed by this committee. There are stand-alone minors but none are certifiable. However, they do provide a block of courses that could be used for certification later on if other program courses are taken. One option may be to encourage programs to not check the BSEd box when submitting proposals. Dr. Hellman will bring the issue forward to Dr. Craig and EPPC.

**VII. Adjournment**

Daniel Hellman adjourned the meeting at 3:25 p.m.
