III. Review of Curricular Proposals

PROGRAM CHANGE

Speech & Theatre/Communication-BSED:

Dr. Carol Maples was present to speak to the proposal. The Speech & Theatre program is unique in that it is one program with two departments so this proposal was split into two. (See Speech & Theatre/Theatre-BSED) Communication hasn't changed but some of the wording has. There is no longer an admission entrance requirement. Three course options have been added but they are still at 121 hours.

Motion to recommend. Second. Discussion. Motion carried.

Speech & Theatre/Theatre-BSED:

Dr. Carol Maples was present to speak to the proposal. One of the courses has been changed from three hours to two hours. Choosing one course out of three courses has also been removed to meet the goal of reduced hours. Three Professional Education courses have been removed to reduce hours.

Motion to recommend. Second. Discussion. Motion carried.

Dr. Engler informed the committee that the professional education course changes will be coming to the committee after the first of the year.

IV. Adjournment

Dr. Swearingen adjourned the meeting at 4:20 p.m.
