1	1.82%	<input type="checkbox"/>	1. I was advised by the head of my major department. Then, a couple months later, when I had a question, they tried to give me a new advisor, who never answered my question. 2. TransferMation was scheduled too late in the day. Especially without the Bear Line Shuttle running, I was scared for my safety getting home. 3. Some of the buildings smell funny. This may sound silly, but if I had had a chance to tour before making my decision, this definitely would have been a factor in my decision.
1	1.82%	<input type="checkbox"/>	After stating that a particular class wouldn't work for me because it conflicted with my employment schedule, the advising coordinator said to me, "Oh! You shouldn't work while attending school." this, to me shows a lack of connection to the demands of being a student that needs to pay bills and eat. I had a life before, during, and will have one after my time here at MSU, and the thought that this is not acknowledged not only annoyed me, but gave me serious pause as to my future at an institution that has no idea what life is like outside of academia.
1	1.82%	<input type="checkbox"/>	Commuters parking is always full and it has made us late on a few of our classes already.
1	1.82%	<input type="checkbox"/>	Contacting my advisor and her not responding or helping whatsoever!
1	1.82%	<input type="checkbox"/>	Definitely the way my credits transferred; I am very upset over having to retake freshman level courses that I already took either in high school through the dual credit/AP program or in my first year of college.
1	1.82%	<input type="checkbox"/>	Everything has been good for the most part, however I was very frustrated one the first day when i couldn't get into blackboard.

1	1.82%	<input type="checkbox"/>	Financial Aid is still pending and has taken a long time to process through. In addition I ordered my parking permit online and am still waiting on it to arrive in the mail and we are already three days in to the semester.
1	1.82%	<input type="checkbox"/>	Financial aid was rude and not helpful.
1	1.82%	<input type="checkbox"/>	Gary Stafford (faculty) was rude via email and didn't answer my question. I had it answered by someone else.
1	1.82%	<input type="checkbox"/>	Getting my transfer credits straight. And most faculty members don't have an interest in helping
1	1.82%	<input type="checkbox"/>	Getting to school and realizing you need passes to park, a bear pass to get your books, and not being told anything about either of them.
1	1.82%	<input type="checkbox"/>	Had to make a special trip to meet advisor.
1	1.82%	<input type="checkbox"/>	Having to take gen. Ed's previously exempt from at previous university
1	1.82%	<input type="checkbox"/>	I changed my major upon getting accepted and the whole process was frustrating because I was having to call between a few different people.
1	1.82%	<input type="checkbox"/>	I do not match very well with my roommate
1	1.82%	<input type="checkbox"/>	i had a hard time dealing with the people at the vetrans affairs office. they really have no idea what is going on for the reserve and guard members.
1	1.82%	<input type="checkbox"/>	I had to figure out who to contact for advising on my own. I did not receive any materials to assist in that process.
1	1.82%	<input type="checkbox"/>	I just feel I was thrown out to sea and had to help and discover things all on my own. I was hoping for more help during the process.
1	1.82%	<input type="checkbox"/>	I still haven't found anyone who can fix my transcript or help me figure out where to go.
1	1.82%	<input type="checkbox"/>	I turned in my verification forms for financial aid three times. The first two times the Financial Aid office said they had not received the forms. The time it takes for the Verification Forms to be processed.
1	1.82%	<input type="checkbox"/>	I was a little frustrated by having to take classes that cover the same material as classes I already took at University of Arkansas.
1	1.82%	<input type="checkbox"/>	I was unable to get accepted into Missouri State until my summer class was on my transcript. Then I was unable to get enrolled in many classes I needed to take so I had to take some at Drury. While talking with my advisor she was very rude many times to me about how my case was very unusual to her and I should not have been doing this. She used the word unusual around 10 times during our conversation. Also I find that having to drive to Springfield from my home town for an advising session to enroll in classes is very inconvenient. A session that lasts 20 minutes to learn nothing and find how unusual your case is is not how I would like to spend 50 dollars in gas to come to Springfield. This advisement session left a bad taste in my mouth and I was actually dreading moving to Springfield because I was afraid of encountering more people like my advisor.
1	1.82%	<input type="checkbox"/>	I would have liked to have seen more involvement with transfer students. For example, more programs and activities for us transfer students to feel more a part of the campus.
1	1.82%	<input type="checkbox"/>	It took awhile to have the housing hold lifted for class registration
1	1.82%	<input type="checkbox"/>	Just depressed from not being with my old friends at JRLC.
1	1.82%	<input type="checkbox"/>	Lack of communication regarding financial aid status.
1	1.82%	<input type="checkbox"/>	Miscommunication from the financial aid office as to what documents were needed; set back my ability to enroll in classes by a few days.
1	1.82%	<input type="checkbox"/>	My 1st advisor quit and no one told me. The day I meet with the second advisor the computers were down. And the day I called to talk to someone else they were rude and discouraged me.
1	1.82%	<input type="checkbox"/>	My AA wasn't read right the first time so that has caused for some confusion this first week of class and my adviser is a very busy person so that has been kind of frustrating, but it is getting taken care of. I am not that frustrated about it.
1	1.82%	<input type="checkbox"/>	My anatomy class and athletic training classes not be equivalent was frustrating, it made me lose a year of school

1	1.82%	<input type="checkbox"/>	Parking is absolutely terrible. Missed 1 class already, yet I have to pay for parking. Very frustrating.

1	1.82%	<input type="checkbox"/>	See above... plus "go to the website" does not develop any connection with MSU.
1	1.82%	<input type="checkbox"/>	Slow hearing back
1	1.82%	<input type="checkbox"/>	The only thing that I think should be considered is more scholarships for transfer students. I am an IB diploma recipient and if I had come last year I would have received a substantial scholarship. Transfer students do not qualify for this scholarship. If I earned this diploma I think the scholarship should still be available.
1	1.82%	<input type="checkbox"/>	the shuttle transportation a bit confusing and not real reliable at first
1	1.82%	<input type="checkbox"/>	Transfer evaluation was disappointing
1	1.82%	<input type="checkbox"/>	When I moved in Saturday there was no one there to help with moving which I was counting on because I moved to MSU alone.

1	5.56%	<input type="checkbox"/>	The job service on campus is confusing and seems very limited. it would be great for me to work and learn in the same place, not to mention save me money and time.
1	5.56%	<input type="checkbox"/>	When registering for an online class it needs to specifically state whether or not proctored exams are required and whether outside of online requirements exist. Having a class listed as online that then requires you to fax quizzes and take proctored exams (Math 135 Section 899) is misleading. It needed to state those requirements in the online course schedule.
