All Colleges and Departments/Schools are defined by their 2002 organizational structure.

Note: Numbers equal the number of students receiving A or B grades in all courses taught by the respective academic unit as a percent of all students receiving grades.

Table 4A

UNIV HONORS COLLEGE										

All Colleges and Departments/Schools are defined by their 2002 organizational structure.

Note: Numbers equal the number of students receiving A or B grades in all courses taught by the respective academic unit as a percent of all students receiving grades.

Table 5

* Colleges are defined by their 2002 organizational structure using both 1992 and 2002 data.

** Media, Journalism, and Film did not exist in 1992 but was part of the Communications. Hence, percentage comparisons are to Communications in 1992.
