Take a moment to think about your life goals. Where do you desire to work and live? What would you like to own?

Use this worksheet to write down your personal, academic, and professional goals. When creating a goal, consider the total cost of the goal, the monthly cost of the goal, how many months (or for what duration) the goal will have a cost, and the target date for reaching the goal.

Short-Term Goals (Less than 1 year)						
Goal	Total Cost	Monthly Cost	Target Date	Completed ☑		

Intermediate Goals (1-10 years)						
Goal	Total Cost	Monthly Cost	Target Date	Completed ☑		

Long-Term Goals (Over 10 years)						
Goal	Enabling Goals (Steps to achieving long-term goals)	Costs	Target Date	Completed ☑
