# START THE CONVERSATION WITH YOUR STUDENT

## PLAYERS' PICKS:

WE ASKED STUDENTS WHAT THEY LIKED THEIR FAMILIES TO ASK THEM ABOUT

- When you think about starting college, what makes you the most nervous?
- What plans do you have to stay in touch with your family while you are at school?
- You are going to be taking on more financial responsibility for yourself in college. What ways do you plan to manage your finances?
- What are you enjoying about your classes?
- What classes seem most interesting to you?
- Which exams are you most concerned about?
- Now that you have been in school awhile, is there anything you want me to send from home?
- What do you like to do in your free time?

## COACHES' PICKS:

WE ASKED FAMILY MEMBERS WHAT THEY USUALLY ASK THEIR STUDENTS
