Dr. Monika Feeney, Director
Baccalaureate Degree Nursing Program US17505000
Department of Nursing
901 South National Avenue
Springfield, MO 65897

Dear Dr. Feeney:

This letter is in regard to Missouri State University – Baccalaureate Degree Nursing Program US17505000.

It is the decision of the Missouri State Board of Nursing to approve this site visit report with recommendations as written in the report. The nursing program continues on full approval with the next routine site visit due in 2027. Admissions to the traditional BSN track remain at up to 56 new admissions twice each year as implemented in January 2022. The ABSN program track is approved for admission of up to 16 students in year 1 with increase to up to 24 students/year starting with year 2 with delayed start in fall 2023/spring 2024. The program should notify the Board prior to start of the ABSN program track. The three (3) full-time nursing faculty positions designated for ABSN should be in place prior to start of the ABSN program track. A report on progress/outcomes for the ABSN program track should be submitted by March 31, 2025.

If you have any questions or need other assistance please feel free to call me at (573) 751-0080 or e-mail melinda.bridge@pr.mo.gov and bibi.schultz@pr.mo.gov.

Sincerely,

A handwritten signature in black ink that reads "Ingeborg D. Schultz".

Ingeborg D. Schultz RN, MSN, CNE
Director of Education
Missouri State Board of Nursing
