

CLIMATE STUDY ACTION ITEMS

~ As Soon As You Learn that It's Time to Take the Survey ~

MODEL TRANSPARENCY:

Prepare to demonstrate our Overarching & Enduring Commitments to Student Learning, Inclusive Excellence and Institutional Impact by...

- Thanking the President, Provost and VP's for their leadership in improving our University.
- Visiting the Climate Study website to learn more and to help others understand its importance.
<http://diversity.missouristate.edu/ClimateStudy.htm>
- Telling other professionals to prepare a time to take the survey.
- Talk to and empower students in/out of class to participate.
- Making the CS a topic of engagement in meetings and in daily activity.
- Using social media to help announce the study launch.
- Setting survey completion goals for your unit i.e. 90% completed by March 28, 2014
- Asking people if they have taken the survey and thanking them for being a Bear 😊
- Making results of the CS a public matter.
- Expecting action from the survey results
- Helping to implement CS recommendations
- Looking for the endorsement email to use in promoting the CS
