Probation Statuses

Social Probation - A designated period of time in which a chapter is not permitted to host events with alcohol.

Level One Probation – A written reprimand for violation of specified policies as well as notice to inter/national organizations of conduct concerns. Probation is for a designated period of time and includes the probability of more severe conduct consequences if the organization is found to be violating any institutional regulation(s) during the probationary period. Organization members may be declared ineligible to campaign for or hold office on their respective governing Council. If found responsible for another violation of University policy and/or a violation of the Governance Statement, it may result in the suspension or dismissal of the organization.

Level Two Probation – Serves as both a second chance and final warning to the organization. It is imposed for a specific period of time and affects the chapter's good standing in the University. While on level two probation, organization members will be declared ineligible to campaign for or hold office on the governing council. If found responsible for a violation of the Fraternity & Sorority Governance Statement while on level two probation, this may result in the suspension or dismissal of the organization from campus.
