- F. VP of Community Relations Morgan Mesle reported:
- i. Hi everyone! This semester PHA, IFC, NPHC, and SLG will be working together for a COVID-19 vaccination drive. This will be held later on this semester, probably the first week of November. We are still in the VERY early stages of planning, so I just wanted to put this on your radar.
 - ii. I also have been working on planning FSL week of service. In the past, we have had FSL day of service, but to make it more convenient, and to (hopefully) contribute more, this will be held for a whole week this semester. I am going to have a more formal announcement of what to expect and the details later on, but for now I wanted to let you know that it will be from November 15th to the 23rd. This is the week before we leave for Thanks giving break, which is the perfect time to give back to the community. Have a great week!!
 - iii. George and I are working on doing a 3v3 basketball tournament. I will give you more information as soon as possible.
- G. VP of Academics Kathryn Deck reported:
- i. There is a 4.0 come and go event at Maes downtown tomorrow. Those who have RSVP'd will be sent a graphic they can use to redeem their treat. This graphic is not to be shared, this guarantees that all of the women who said they would be there get their treat.
 - ii. Round tables will be held today, and every other week following at 5:30pm. The first one will be over zoom. Please ensure that your Academics person is there. If they cannot make it we do expect a substitute. It is an expectation that your women attend these events and meetings. That being said, stay tuned for exciting programing coming in November!
