

CREED: We, the Interfraternity council, exist to promote the shared interests and values of our member fraternities: leadership, service, brotherhood, and scholarship. We believe in Fraternity and that the shared values of Fraternity drive the IFC to create better communities, better chapters, and better men. We work to advance the academic mission of Missouri State University to enable fraternal organizations to grow and thrive through collaboration and teamwork, to provide an outlet for self-governance and accountability, and to model and teach ethical leadership. In a spirit of mutual support and betterment, we, the men of the inter-Fraternity Council, pledge to elevate the Ritual and the values of the member organizations.
