Courses are sequenced to provide guidance and to help ensure that prerequisite requirements are met.

Catalog Year: 2022-2023

STLCC Associate in Arts in Business Administration to
MSU Bachelor of Science in IT- Application Development
The following is a guide to graduation with completion of STLCC's Associate in Arts and MSU's Bachelor of Science in IT- Application Development degree.
The B.S. degree may be completed on campus or online.

The General Business degree is a comprehensive major, meaning it does not require completion of a minor.

STLCC Year 1 Semester 1

Total Hours Overall		120-122

** Electives provide the opportunity to customize your degree program. Some elective credits may or may not be needed to bring total credit hours to a minimum of 120 credit hours and upper division hours (300+) to 40.

This information is provided as a guide only.

- STLCC students are strongly encouraged to meet with their major specific MSU transfer advisor early in their STLCC education to discuss the most appropriate STLCC coursework for their intended MSU major, MSU degree requirements, etc.
 - Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
 - Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as denoted on the transcript from which they transferred (to a STLCC).
- Important Notes about this MSU major:**
- Globalization requirement - May be met by completing one of the following options: Completion of a full-semester of study away experience; Completion of three hours of the SAME foreign language as above notes; Completion of a study abroad internship; Completion of three hours of foreign culture courses; Completion of an international short-term MSU faculty-led program. The study away, study abroad internship, and faculty-led program options require pre-approval.
 - Courses are Admission Requirements to MSU's College of Business.
 - Students must get a "C" or higher in College Algebra (STLCC's MTH 160), if ACC 201 & QBA 237 are taken at MSU.
 - Admission to the College of Business is separate from admission to the University. Students must have completed at least 54 hours (MSU/transfer), have at least a 2.50 cumulative GPA (MSU and/or transfer), and completion of at least 10 of the 12 admission requirements denoted above. Up to two of the above denoted admission courses may be completed during the semester of admission; however, students should make every effort to complete all the denoted courses prior to admission to the College of Business.

GPA requirements include a minimum 2.00 Missouri State GPA and a minimum 2.50 combined GPA to apply for admission to the College of Business.
