Catalog Year: 2021-2022

OTC Associate of Arts to MSU Bachelor of Science in Child and Family Development - Child Development Option

The following is a guide to graduation with completion of OTC's Associate of Arts and MSU's Bachelor of Science in Child and Family Development degree.
The B.S. in Child and Family Development may be completed on campus only.

The Child and Family Development degree is a comprehensive major meaning it does not require completion of a minor.

This information is provided as a guide only.

- OTC students are strongly encouraged to meet with their major specific MSU transfer advisor early in their OTC education to discuss the most appropriate OTC coursework for their intended MSU major, MSU degree requirements, etc.
- Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
- Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as degree-seeking students at the institutions from which they transferred (e.g., OTC).
