INTERDISCIPLINARY PROGRAMS

General Studies

Individualized Major

SHOULD YOU ENTER A PRE-PROFESSIONAL PROGRAM?

These programs are your competitive edge to a career in health, law or engineering. These programs are not majors. They are paths that prepare you to enter a professional degree program after you earn your bachelor's degree.

In these programs, you pursue a Missouri State major. Many different MSU majors will provide you a foundation for professional programs. Your advisor, who is extensively trained, will work closely with you as you select a major and courses. Your advisor will help you stay on track with admission requirements for professional schools. MSU students are regularly admitted to leading schools in all professional areas.
