DESCRIPTION OF EVENTS

Admission presentation and transfer presentation

Learn the basics of the admission process, why Springfield is a great place to be a college student and more.

Residence life and services presentation

Learn about residence life, housing and dining services. Get your questions answered and find out how to #LiveLikeABear.

Financial aid presentation

Better understand how students pay for college. Learn about the application process, different types of aid and tips to maximize your financial aid offer.

Exploring MSU's academic colleges

This is an opportunity to meet the faculty and staff members who represent more than 170 academic majors and programs.

Student life expo

Visit booths inside Plaster Student Union to meet representatives from several campus organizations and student support services.

Student panel

Participate in a Q&A session with current students.

Walking tours

Take a walking tour of academic buildings with a current student. Please allow 30 to 40 minutes for the tour. Last walking tour leaves at 11 a.m.

Lunch

Join us in Garst Dining Center for a real taste of Missouri State!

It's all fun and games at Missouri State

Join us for tons of fun as you play lawn games and meet other current and future Bears. Grab an ice cream treat while you're here.

Ask Admissions

Still have more questions at the end of the day? Stop by to talk one-on-one with an admission representative and leave with all the answers you need.

EXPLORE OUR FACILITIES

8 a.m.-4:30 p.m. Missouri State Bookstore

9:30 a.m.-1:30 p.m. Foster Recreation Center

The FRC is a place to work out, play and learn about healthy living. Enter through main doors from the south side. Last tour leaves at 1:30 p.m.

10:30 a.m.-1:30 p.m. Various residence halls

Take a quick tour of Blair-Shannon, Woods, Wells and Hutchens (marked with ★ on campus map) to see different styles of rooms. Each tour lasts 10-15 minutes.

- Meet at the front desk.
- Last tour leaves at 1 p.m.

1-3 p.m. Brick City

Visit our impressive art and design spaces and speak with faculty members. A shuttle route runs from PSU to Brick City from 12:45-3:30 p.m.

1-3 p.m. Glass Hall

Explore Glass Hall, home to the College of Business. Interact with faculty members from multiple departments, see our state-of-the-art learning labs and discover a beautiful place to study.

ACADEMIC ENGAGEMENT EXPERIENCES, JUNE 23

Join an academic college for a unique, engaging session. Learn about our programs and see classroom spaces. Pick your top two to attend.

Two sessions, starting at 1 and 1:45 p.m.

- **Darr College of Agriculture: Urban gardening**
Urban gardening helps promote healthy food in highly populated areas to prevent food deserts and reduce hunger. Come discuss how your interests and goals can help address food insecurity across the globe.
Karls Hall 102
- **Reynolds College of Arts and Letters: Show me video**
Join the department of communication, media, journalism and film for a hands-on tour of the video production facilities in Strong Hall, then watch a short video produced by that department.
Strong Hall 113
- **College of Business: Two different tracks**
Steel crane experience: Join the department of technology and construction management for a one-of-a-kind hands-on experience in steel work! Operate a steel crane used by construction management students.
Glass Hall atrium
FORVIS Financial Markets Trading Lab experience: The FORVIS Financial Markets Trading Lab brings the real world of business and finance into the classroom. Join the department of finance, economics and risk management to experience the Bloomberg Terminals and watch the interaction of world events and market behaviors in real time.
Glass Hall 106
- **College of Education: Exploring education**
Explore the rich history of the College of Education, a variety of subject areas and interactive teaching activities in a treasure hunt.
Hill Hall 213; enter Hill through main front doors
- **College of Humanities and Public Affairs: Adult protective services participatory experience**
Be immersed in a critical-thinking exercise that includes areas such as gerontology, law enforcement, nonprofits and more. We will present a theoretical case of elder fraud and financial abuse, and ask you to help solve the problem.
Strong Hall atrium
- **College of Natural and Applied Sciences: Demonstrations of equipment and tours**
Start in Blunt Hall 107 for all of the following
Chemistry: Explore a variety of high-tech instruments and discuss your research opportunities as an undergraduate student.
Geology, geography and planning: Learn how dynamic a stream environment can be with a stream-table demonstration. Check out mineral and rock identification stations and learn how microfossils can help determine trends in climate change.
Physics and materials science: Check out live physics demonstrations. Leave having learned cool new things!
