### Individualized Major

## SHOULD YOU ENTER A PRE-PROFESSIONAL PROGRAM?

These programs are your competitive edge to a career in health, law or engineering. These programs are not majors. They are paths that prepare you to enter a professional degree program after you earn your bachelor's.

In these programs, you pursue a Missouri State major. Many different MSU majors will provide you a foundation for professional programs. Your advisor, who is extensively trained, will work closely with you as you select a major and courses. Your advisor will help you stay on track with admission requirements for professional schools. MSU students are regularly admitted to leading schools in all professional areas.

## PRE-PROFESSIONAL PROGRAMS

### Pre-Athletic Training

### Pre-Chiropractic

### Pre-Dentistry

### Pre-Engineering

### Pre-Law

### Pre-Medicine

### Pre-Occupational Therapy

### Pre-Optometry

### Pre-Pharmacy

### Pre-Physical Therapy

### Pre-Physician Assistant Studies

### Pre-Veterinary Medicine

\* Offered as a free-standing major (e.g., mathematics) or as a major with a specialization (e.g., mathematics with an option in statistics).

\*\* Offered in cooperation with professional schools. Admission to Missouri State does not guarantee admission to the professional school. See undergraduate catalog online for details on program requirements.

† These programs are housed in the department of the subject area.

♦ Offered in cooperation with Missouri University of Science and Technology. Contact Dr. Doug Carroll, cooperative engineering program director, at 417-836-6208 or Engineering@MissouriState.edu.

†† A competitive admission program. See undergraduate catalog online for details
