Typical searches involve the **Subject** (type in the subject name or code or choose a specific subject from the drop-down list or leave blank to include all subjects).

If you're looking for a specific course, enter the **Course Number** as well.

The **Modality** area allows for filtering by how the course is taught. Options include: Traditional (seated); Internet-Other (online); Blended, and others.

The **Part of Term** area allows for filtering by when the course is taught. Popular options include Full Term, First Block, Second Block, Intersession, and others.

Other criteria options available, but not shown in the screenshot, include credit hours, day of the week, time of day, and a check-box option to show only open classes.

5. Click "Submit" at the bottom of the page or use the "Enter" key on the keyboard

6. Review the Search Results

The screenshot shows a web interface for browsing classes. At the top, there is a blue header with a grid icon. Below it, a navigation bar contains links: [Student](#), [Registration](#), [Select a Term](#), and [Browse Classes](#). The main heading is **Browse Classes**. Below this, a search summary states: **Search Results — 11 Classes**, **Term: Fall 2022**, **Subject: Accounting (ACC)**, and **Course Number: 201**. A table follows with columns: Title, CRN, Subject, Number, Section, Modality, Campus, and Hours. Three rows are visible, all for 'Introduction to Financial Accounting'.
