Assessment Questions

What are the
Accreditation
requirements for
Program Evaluation?

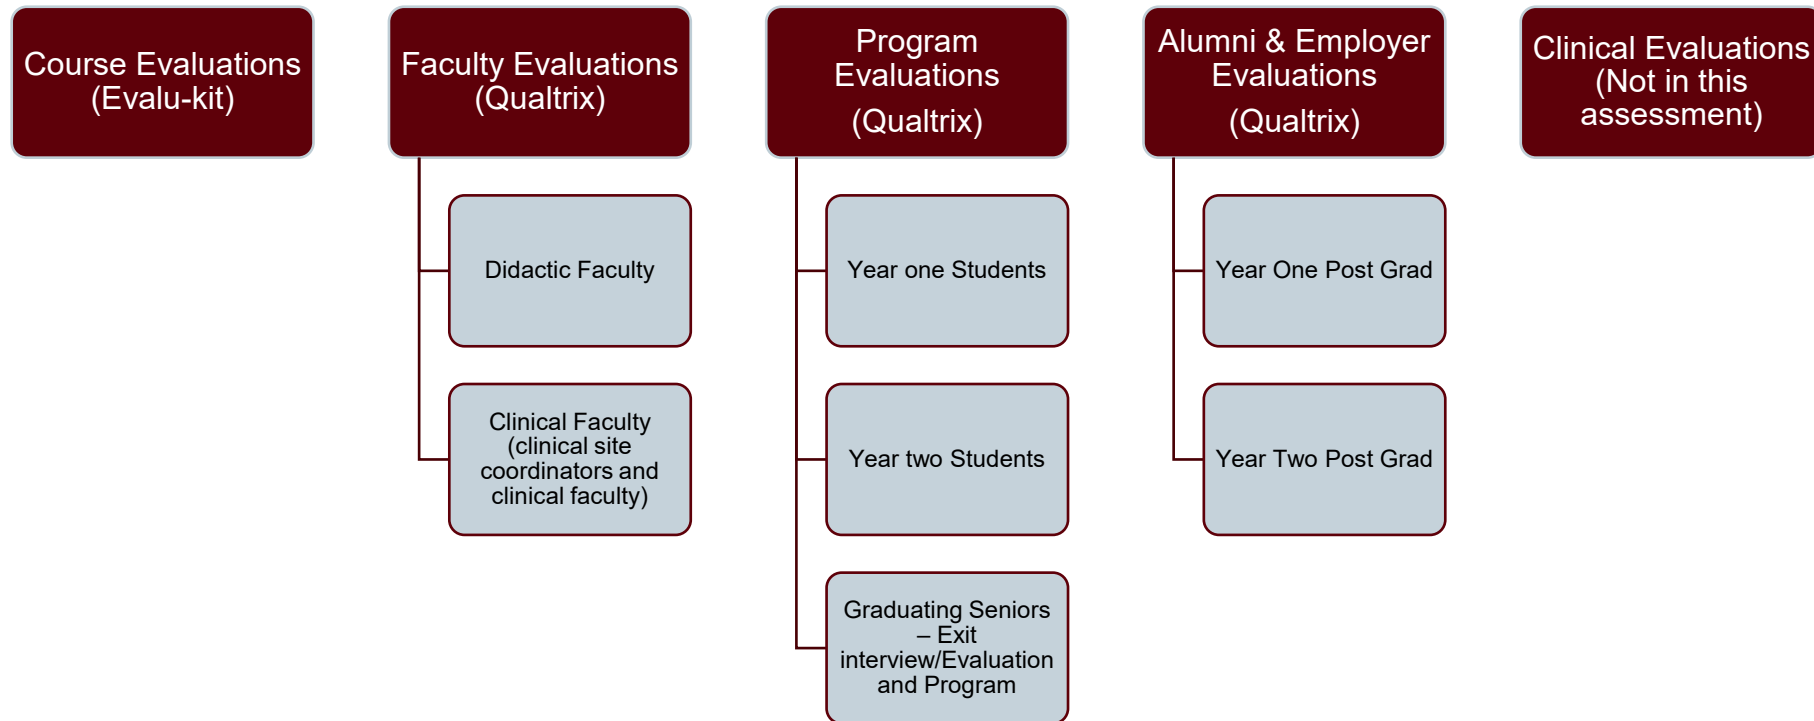

How are evaluations
distributed?

How are evaluations
assessed?

Workshop Objectives

Clearing up the Fog

List Evaluation Categories and Criteria and how each are Met and Timing

Data Discussed

HISTORY AND MOVING FORWARD

Currently using the Qualtrics system by distributing via email from a faculty member with a direct link

Surveys would go to a spam folder if distributed through Qualtrics email

Decreased survey questions and changed to a matrix view which is more user friendly

Conclusions Reached

TURN THE FOGGY DAYS TO SUNNY SKIES

To comply with all Accreditation
Criteria and Guidelines

To increase consistency in the
College with Course Evaluation

Items Chosen for Action

List each evaluation

Review current criteria
and collected data

Plan for future

Follow-up Plans & Next Steps

One year plan for implementation

Compare current response numbers to updated responses in each category

Items that Need Action at Higher Levels than the Department

Align course evaluations
with MCHHS
