

Assessment Grant Proposal Form

Assessing student learning is an essential component of general education and in the major. This grant supports innovative practices in the assessment of student learning. The Assessment Grants are intended for faculty in their efforts to support and assess student learning in public affairs and general education.

Assessment Grant applications will be reviewed on a rolling basis throughout the Spring 2018 semester. For more information, contact Julia Cottrell via email at JuliaCottrell@MissouriState.edu.

Please fill out the form below which will become your grant proposal and click "submit" at the bottom of the page.

1. First and Last Name:

Debra Price

5. College:

College of Education

6. Please list the department and program to which you belong.

Department of Childhood Education and Family Studies-Family and Consumer Sciences Program

7. Have you received written approval from your department head or dean?

11/13/2018 8:56:49 PM

8. Will your program, department, or college support this project in any way? This is not a requirement, but "matching" makes dollars stretch farther and the request may help a broader audience understand and support your work.

No

9. Provide the budget (FOAP) number to which funds should be transferred should the proposal be approved.

10. What is the title of your proposal?

Family and Consumer Sciences Advisory Board Meeting

11. Please select from the eligible projects listed below. If "other", please contact an Assessment staff member for approval.

Support focus groups with students or alumni to ask questions related to program learning outcomes

12. What do you plan to purchase or pay for? Please specify what line items will be funded through the assessment grant and what line items will be funded through other sources.

Catering from MSU for 15 people for \$300

13. What contributions will this work have on enhancing student learning? Briefly describe the learning, writing, or thinking need that you intend to address with this grant.

The advisory committee will review current course offerings, issues we face in the program, and ideas for future growth.

14. What is your time frame for the proposed project?

Fall 2018-December

15. How will the results of this project be used for program improvement? Please describe any anticipated outcomes.

Feedback from alumni and stakeholders will allow us to make decisions to better our program.

16. If funded, a short, written report is expected. The interim report will include the following information: Minutes of meetings (include attendees, date, items discussed, actions), project results, outcomes addressed, changes that will occur in the future due to this project, new learning, new curriculum, recommendations for future projects, and any handouts, student work, survey results, etc.

I agree to write a brief report before May 15, 2019.

17. Do you agree to share the funded project at the time of its completion? This may include sharing the proposal itself, outcome data from the grant's effect, or student work generated from use of the grant.

Yes

18. How do you plan to show evidence of student learning?

Feedback from the advisory committee will allow us to make curriculum decisions to improve course offerings and better prepare teacher candidates.
