

Assessment Grant Proposal Form

Assessing student learning is an essential component of general education and in the major. This grant supports innovative practices in the assessment of student learning. The Assessment Grants are intended for faculty in their efforts to support and assess student learning in public affairs and general education.

Assessment Grant applications will be reviewed on a rolling basis throughout the academic year. For more information, contact Julia Cottrell via email at JuliaCottrell@MissouriState.edu.

Please fill out the form below which will become your grant proposal and click "submit" at the bottom of the page.

Childhood Education and Family Studies

7. I have received written approval from my department head or dean?

Pending

8. Will your program, department, or college support this project in any way? This is not a requirement, but "matching" makes dollars stretch farther and the request may help a broader audience understand and support your work.

No

9. Provide the budget (FOAP) number to which funds should be transferred should the proposal be approved.

10. What is the title of your proposal?

Family and Consumer Sciences Advisory Board

11. Please select from the eligible projects listed below. If "other", please contact an Assessment staff member for approval.

Support focus groups with students or alumni to ask questions related to program learning outcomes

12. What do you plan to purchase or pay for? Please specify what line items will be funded through the assessment grant and what line items will be funded through other sources.

Meal and parking for 15 attendees for \$320.00

13. What contributions will this work have on enhancing student learning? Briefly describe the learning, writing, or thinking need that you intend to address with this grant.

This meeting will allow alumni and stakeholders to come together to review and make recommendations to improving the FCS Program at MSU.

14. How many students do you anticipate this project impacting over the span of one year?

40

15. What is your time frame for the proposed project?

Fall 2019

16. How will the results of this project be used for program improvement? Please describe any anticipated outcomes.

The group will provide suggestions and ideas to continue to improve recruitment and retention.

17. If funded, a short, written report is expected. The interim report will include the following information: Minutes of meetings (include attendees, date, items discussed, actions), project results, outcomes addressed, changes that will occur in the future due to this project, new learning, new curriculum, recommendations for future projects, and any handouts, student work, survey results, etc.

I agree to write and submit a brief report within one year of the projects start date.

18. Do you agree to share the funded project at the time of its completion? This may include sharing the proposal itself, outcome data from the grant's effect, or student work generated from use of the grant.

Yes

19. How do you plan to show evidence of student learning?

The group will give feedback that can be considered as we work to promote recruitment and retention.
