Undergraduate Program Codes (Effective Fall 2021)

Last updated September 17, 2021

- Standard format for major code is 4-digit major code followed by a dash followed by degree code. Example: ACCT-BS.
- Majors with admission requirements are identified by (PRE) following the program title. Example: ACCT-BS-PRE. Student must be under the pre-code until formally admitted to degree program. Majors which require a minor are noted after major title. Alternate pathway program codes are listed under the major title.
