

Bear With Me Program

The Bear With Me program is an initiative that was brought to Missouri State University by Student Government Association in the Spring of 2018. This program gives students an alternative way to pay parking citations by completing community service hours. Students will have 15 days from the date the citation was issued to complete their community service hours as part of the Bear With me program.

Step 1: Go to www.givepulse.com to find community service opportunities in the Springfield area.

Step 2: Perform at least two hours of community service from an organization posted on givepulse.com.

Step 3: Log your community service hours by joining the “Bear With Me Program” organization on CampusLink. For more information, visit <https://sga.missouristate.edu/BearWithMe.htm>.
