Year to Date Financial Review

Steve Foucart, Chief Financial Officer, reviewed year-to-date financial statements through December 31, 2021.

Preliminary FY2023 Budget Discussion

President Smart led a preliminary discussion about the FY2023 budget. Governor Parson has proposed a 5.4% operating appropriation increase for all public colleges and universities. He shared that it is the highest across the board increase proposed in decades, and the university is very grateful to Governor Parson for his budget recommendation. Governor Parson has also proposed more than \$33 million for three of Missouri State University's capital projects that include Temple Hall, the braider at JVIC, and the hospital simulation lab in West Plains.

President Smart shared that the university faces significant revenue loss due to enrollment declines and it faces expense increases in areas such as pension and health plan contributions, property insurance, utilities, and technology costs. He stated that the university is committed to prioritizing compensation increases for employees because inflation and market forces make employee pay even more important than in prior years.

The Board held discussion on tuition, compensation, expense reductions, and bridging gaps with reserves. The Board was in support of using a limited amount of budget reserves for compensation increases. President Smart shared the university will continue work on putting together a balanced budget for Board approval at a future meeting.

Procurement & Financial

Mr. Foucart reviewed a resolution to be approved during the regular Board meeting on Friday to approve the HEERF IIII Spring 2022 distribution plan for both the Springfield and West Plains campuses.

Mr. Foucart reviewed the procurement activity report to be approved as part of the consent agenda in the regular meeting. He shared information on the following items included in the report:

- Purchase of LED videoboard for Killian Sports Complex Stadium at an estimated cost of \$288,230.00 for Intercollegiate Athletics Softball
- Purchase of a pre-preg braider for ceramic and carbon composite structures for Jordan Valley Innovation Center (JVIC)

Mr. Foucart concluded his report by reviewing a resolution to be approved during the regular Board meeting on Friday for approval of refinancing bonds in order to save the university \$919,000.00 in interest funds.

Facilities Update

Matt Morris, Vice President for Administrative Services, provided an update on facilities projects on campus. Highlights of his report included updates on the Springfield Public Schools Agricultural Magnet School and small animal educational facility at Darr Agriculture Center, renovations to Kampeter Hall, New Residence Hall and dining center infill, JVIC, building #4, John Goodman Amphitheatre, Grand Street Underpass, Temple Hall, and Pummill Hall repairs.

Mr. Morris concluded his report by reviewing two resolutions to be voted on during the regular Board meeting on Friday:

• Approval of Real Estate Contract for the purchase of a 0.09 acre parcel of land directly north of Property at 530 North Boonville in Springfield, Missouri

• Approval to increase the total annual expenditure for the remaining renewal available for the job order contracting services – mechanical, electrical, and plumbing repair and replacement contracts.

Foundation Review

Brent Dunn, Vice President for University Advancement, provided a development report from the Missouri State University Foundation through January 31, 2022. He compared numbers for annual gifts, special campaigns, and one-time gifts. He shared that annual gifts are close to the same and planned giving numbers are up while one-time gifts are down compared to last year. He concluded his report in sharing that there are 253 days left in the Onward, Upward capital campaign and it is tracking well. The campaign ends October 29, 2022.

Adjournment

With no additional information needing to be discussed, Governor Parman called for a motion to adjourn the meeting. Governor Ann Kampeter provided a motion, receiving a second from Governor Silvey.

Motion passed 9-0.

ONE-TIME RETENTION PAYMENT PLAN

The Executive Budget Committee has proposed a one-time retention payment plan. The proposed plan has unanimous support from the administrative and academic leadership teams.

Under this plan, full-time employees would receive a \$1,000 retention payment in their December 31, 2022 paycheck. To qualify for the payment, an individual must be employed full-time at MSU on or before April 1, 2022 and remain an active employee through December 1, 2022.

The estimated cost for the plan is \$2,261,000. The plan would be centrally funded from university reserves. After making this payment, university reserves would still exceed the amount of reserves on hand at the end of fiscal year 2021 (\$76 million).

Procurement Activity Report

FOR APPROVAL

Contract for the purchase of goods and services estimated > \$250,000

Security Services for Special Events/Operations GSBA, JKH Hall, Plaster Stadium

\$301,896.00 (Estimated)

In response to required advertising, one (1) bid was received to establish a contract for security services for special events on the university campus.

Agreement terms establish the required number of parking personnel per event, and payment by the University is for contracted activities only, with no minimum.

Contract award is July 1, 2022 through June 30, 2023, with four (4) additional one-year renewal options.

Recommend approval to award to Event Services Group, LLC, as the incumbent, and only respondent.

Note: Funding to be from event revenue.

Single purchase > \$250,000 from established cooperative contracts

Videoboard – LED Intercollegiate Athletics Football

\$700,000.00 (Estimated)

Pursuant to University policy, which allows for participation in contract agreements established by other public entities, the University requests approval to utilize OMNIA Partners Cooperative Contract R220601 – Certified Proposal MO-R170101-314884, for

Scoreboards and Electronic Signs for a new LED videoboard to replace the existing board at Plaster Stadium.

Athletics is seeking to upgrade the Plaster Stadium where the University football team plays its regular season and hosts conference games.

Included in the purchase price with Daktronics are equipment and software, purchase price and payment schedule, project management, engineering and site support services, installation responsibilities, and standard warranty service with extended services for completion of the project.

Note: Funding to be from the Athletic Marketing Budget and University Foundation.

Single purchase > \$250,000 from established cooperative contracts

Videoboard – LED Intercollegiate Athletics Basketball \$1, 600,000.00 (Estimated)

Pursuant to University policy, which allows for participation in contract agreements established by other public entities, the University requests approval to utilize OMNIA Partners Cooperative Contract R220601 – Certified Proposal MO-R170101-314884, for Scoreboards and Electronic Signs for a new LED videoboard to replace the existing board at the Great Southern Bank Arena.

Athletics is seeking to upgrade the Arena where the University basketball team plays its regular season and hosts conference games.

Included in the purchase price with Daktronics are equipment and software, purchase price and payment schedule, project management, engineering and site support services, installation responsibilities, and standard warranty service with extended services for completion of the project.

Note: Funding to be from the University Foundation.

Single purchase > \$250,000 from established cooperative contract

Buildings and Contents Insurance All Campuses

\$1,886,457.00 (Estimated)

Recommend approval to process payment to Marsh USA, Incorporated, for the buildings and contents insurance premium and service fees for the period July 1, 2022, through June 30, 2023.

Coverage is negotiated by the Midwestern Higher Education Compact (MHEC), as provided through Missouri Statute 173.700, and is cooperatively administered by MHEC's Master Property

Program (MPP) on behalf of higher education institutions in eleven member states.

Added value to the process results in that MHEC is governed by a 60-member commission. Each member state has five appointed commissioners: the governor, or the governor's designee; two legislators, one from each house; and two other at-large members, at least one of whom shall be selected from the field of higher education.

The majority of public universities in Missouri participate in this program.

Benefits include significant market leverage, program rates that typically benchmark below industry averages, spread of risk, and the sharing of losses.

Established in 1994, the Master Property Program's goal is to leverage economies of scale to broaden property insurance coverage, reduce premium rates, and encourage improved asset protection strategies for colleges and universities in the Compact. Marsh USA, Incorporated, is a leading world insurance broker and strategic risk advisor.

Subject to ongoing need and satisfactory performance, future annual payments will be made on a continuing basis.

Note: Funding to be from ongoing operational budgets.

RECOMMENDED ACTION – Approval of an A	Agreement for the constr	uction and use of a Throwing
Field at Parkview High School in Springfield, Miss	ouri.	

The following resolution was moved by _	 and seconded by

BE IT RESOLVED by the Board of Governors for Missouri State University that the Board enter into the attached Agreement for the construction and use of a suitable space for activities relating to the School District of Springfield, R-12 ("District") and University athletic operations, consisting of design, engineering, bidding, and construction of a Throwing Field on the campus of the District's Parkview High School and joint use of the Throwing Field by the District and the University. The University shall pay the District for hard and soft costs for the District's construction of the Throwing Field, not to exceed Four Hundred Fifty Six Thousand and Seventy Five Dollars (\$456,075.00).

BE IT FURTHER RESOLVED that the administration of the University, including the Vice President for Administrative Services, is delegated the authority to negotiate and execute any and all other agreements and documents necessary that are in furtherance of and consistent with the terms of this Agreement.

VOTE:	AYE
	NAY

COMMENTS:

The Throwing Field will be NCAA compliant for javelin, shotput, discus and hammer throw. It will be located in a green space on the Southwest corner of the Parkview High School campus, East of Grant Street, North of Chrisman Road and South of the access/delivery road for the school.

The District shall plan and execute the Project, including design, engineering, bidding and construction of the Throwing Field. University will reimburse the District for the cost of design, engineering, bidding and construction of the Throwing Field, not to exceed \$456,075.00.

The University will have priority use of the Throwing Field for any NCAA, Conference, or University intercollegiate track and field meet which is hosted by the University. University will also have use of the Throwing Field for practice.

The Agreement is for 10 years with 3 renewals with 5-year terms each. If the District terminates the Agreement prior to June 30, 2032, District shall reimburse University for the unamortized costs of the construction project.

District's Board approved the agreement on April 26, 2022.

The Agreement has been reviewed and approved by the Office of General Counsel.

AGREEMENT

(Missouri State University and School District of Springfield, R-12) (Throwing Field – Parkview High School Campus)

This Agreement ("Agreement") is entered into on the ____day of ____, 2022, by and between the Board of Governors for Missouri State University ("University") and the Board of Education for the School District of Springfield, R-12 ("District"). The Agreement is effective on the date of the last signature by the authorized officials of the two parties.

- 1. <u>District</u> The School District of Springfield, R-12 ("District") is an urban public school district and a political subdivision of the State of Missouri which is governed by its Board of Education. District's Administrative offices are located at 1359 E. St. Louis St., Springfield, Missouri, 65802.
- 2. <u>University</u> Missouri State University ("University") is a public university which was established by the State of Missouri to provide post-secondary and graduate educational programs. The University is governed by a Board of Governors and maintains its business offices at 901 S. National Avenue, Springfield, Missouri, 65897.
- 3. **Project** The District and University enter into this Agreement for purposes of setting forth the mutual expectations, obligations, and agreements for the construction and use of a suitable space for certain mutually agreeable activities relating to District and University's athletic operations ("Project"). The Project consists of: (a) the design, engineering, bidding and construction of a Throwing Field, more fully defined herein on the campus of the District's Parkview High School ("Property"); and, (b) the joint use of the Throwing Field by the District and University, including their respective invitees. The specifics of the Project are set forth on "Attachment A" and incorporated into this Agreement by reference. Unless otherwise agreed to by the Parties, the provisions of this Agreement shall rule in the event there are inconsistencies between this Agreement and the provisions of Attachment A.

4. Relationship of the Parties

- 4.1 <u>Independent Contractor</u> In the performance of all services covered by this Agreement, District and University shall be deemed to be and shall be an independent contractor of the other.
- 4.2 No Agency In the performance of all services covered by this Agreement, neither party is authorized or empowered to act as agent for the other for any purpose and shall not on behalf of the other enter into any contract, warranty or representation as to any matter. Neither shall be bound by the acts or conduct of the other unless specifically set forth in this Agreement or as otherwise approved in writing by University's Board of Governors and the District's Board of Education.

- 5. <u>University's Employees, Contractors and Invitees</u> During the Term of this Agreement:
 - 5.1 Not Employees No agent, contractor, employee, student, invitee or servant of the University or District shall be considered to be an agent, contractor, employee, student or servant of the other party while participating in activities pursuant to this Agreement. No agent, contractor, employee, student, invitee or servant of the University or District shall be entitled to receive wages from the other party or participate in any plans or benefits of employment with the other party, including but not limited to any pension, insurance plan or similar benefit plans that the other party makes available to its employees.
 - 5.2 <u>Observance of District Policies and Procedures</u> University shall be responsible to ensure that each of its contractors, employees, invitees and students, who participate on the Project on the District's property, in or around the District's students, comply with the policies of the Board of Education.

6. Term

- 6.1 <u>Term of Agreement</u> -- The Term of the Project and this Agreement shall begin on ______, 2022___, and shall continue through June 30, 2032. This Agreement may be renewed by the parties, with mutual written agreement, for an additional three (3) renewals with five (5) year terms each.
- 6.2 <u>Termination of Agreement</u> -- The Agreement may be terminated: (a) at any time with the mutual written consent of both parties; (b) by the University, with sixty (60) days prior notice, prior to the beginning of construction on the Throwing Field or at any time after the design, engineering, bidding and construction of a Throwing Field has been completed; (c) at the end of the initial Term or any extended Term.
- 6.3 <u>Early Termination Fees</u> If District terminates this Agreement prior to June 30, 2032, District shall reimburse University for the unamortized costs of the Project, based on a ten-year amortization schedule for the actual cost to the University for the construction of the Throwing Field, but not greater than the actual cost of the Project.

For example, if the District terminates on July 1, 2027, the District shall be required to reimburse the University \$228,037.50 of final Project cost (i.e., \$456,075.00/10 years = \$45,607.50/year; \$45,607.50 x 5 years = \$228,037.50.

7. <u>Compliance With State And Federal Law/Board Policies</u> – The University and District shall comply with all applicable Federal and State statutes, regulations and guidelines, the Constitutions of the United States and Missouri and the policies/regulations of the Board of Education and Board of Governors. Without limiting the foregoing, the University and District

further agree that while they are engaged in the Project and activities pursuant to this Agreement, they shall not discriminate against any employee, contractor, student, applicant for admission to the University or District, participant in the Project, employee or applicant for employment on the basis of the person's race, color, national origin, sex, ancestry, religion, age, physical or mental disability, status as a veteran, sexual orientation, gender identity or expression, or any other classification which is protected by applicable law, regulation, guideline or policy.

8. Compensation To University and District – The University shall pay the District for hard and soft costs that the District incurs in connection with the construction of the Throwing Field not to exceed \$456,075.00, including the designing, engineering, bidding and construction of the Throwing Field, which is more fully described in Attachment A of this Agreement. The District shall provide the property for the Throwing Field. If at any time following execution of this Agreement and the beginning of construction of the Throwing Field, District believes the actual cost of construction of the Throwing Field is likely to exceed \$456,075.00, District will notify University and the Parties will meet in good faith to discuss an appropriate allocation of the additional costs of the Throwing Field project, through mutual agreement.

9. <u>Liability/Sovereign Immunity</u>

- 9.1 The District assumes any and all responsibility for personal injury and property damage attributable to the negligent acts of its agents, including injury to its officers, employees, agents and students, to the extent required by, and subject to the Missouri sovereign immunity statutes, Section 537.600 et seq. RSMo.
- 9.2 University represents that as of the date of execution of this Agreement it is subject to the Missouri State Legal Expense Fund, as established by Missouri Statute and administered and interpreted by the Attorney General of the State of Missouri, and that the University has no liability insurance that can extend protection to any other person under this Agreement or the Project.
- 9.3 Notwithstanding any other provision of this Agreement, neither the District nor the University waives any right of sovereign immunity available to it under the laws of the State of Missouri.
- 9.4 Each party shall be responsible for its own acts and omissions and shall be liable for payment of that portion of any and all claims, liabilities, injuries, suits, and demands and expenses of all kinds that may result or arise out of any alleged malfeasance or neglect caused or alleged to have been caused by said party, its employees, agents, or subcontractors, in the performance or omission of any act or responsibility of said party under this Agreement. In the event that a claim is made against both parties, it is the intent of both parties to cooperate in the defense of said claim and to cause their insurers

to do likewise. Both parties shall, however, retain the right to take any and all actions they believe necessary to protect their own interests.

10. Notices and Designated Representatives

10.1 <u>Notices to District</u> – Any notices required by this Agreement shall be given by prepaid, first class, certified mail, return receipt requested, addressed in the case of District to the persons and at the addresses set forth below, or to their designees or successors at such other addresses as may be given from time to time in accordance with the terms of this notice provision:

ATTACHMENT A Project Description

- 1. <u>Construction of Throwing Field.</u> The construction of an NCAA compliant Throwing Field for javelin, shotput, discus and hammer throw in compliance with the International Association of Athletics Federations' (IAAF) Track and Field Facilities Manual, the American Sports Builders Association Construction and Maintenance Manual Technical, and NCAA Track and Field Rules.
- 2. <u>Location of the Throwing Field.</u> The Throwing Field will be located in a green space on the Southwest corner of the Parkview High School campus, East of Grant Street, North of Chrisman Road and South of the access/delivery road for the school.

3. Design, Engineering, Bidding and Construction of the Throwing Field

- (a) The District shall plan and execute the Project, including the design, engineering, bidding and construction of the Throwing Field, consistent with the requirements set forth in this Agreement, specifically Section 1 above.
- (b) The University shall reimburse the District for the cost of associated with the design, engineering, bidding and construction of the Throwing Field. Actual cost of the Project is not to exceed \$456,075.00.
- (c) The District, at its sole cost, will be responsible for maintaining the grounds in and around the Throwing Field, in good working condition for competitive use.
- 4. **Payment of the Construction Costs.** The University shall pay the Project costs to the District as follows:
- (a) One-Third of the Project Construction Costs One Hundred Fifty-Two Thousand Twenty-Five Dollars (\$152,025.00) within forty-five (45) days after the District notifies the University in writing that physical construction of the Project has commenced;
- (b) One-Third of the Project Construction Costs One Hundred Fifty-Two Thousand Twenty-Five Dollars (\$152,025.00) within forty-five (45) days after the District notifies the University in writing, and provides a certificate from the Architect that construction of the Project is fifty percent (50%) complete, and that the District has paid the contractor of the Project fifty percent (50%) of the construction costs for the Project, less retainage; and
- (c) The remainder of the actual Project construction costs (not to exceed \$152,025.00) within forty-five (45) days after the later of: (1) the Project achieving final completion, or (2) the District delivering to the University the final accounting. The parties

acknowledge that the University costs will be based on the total cost of construction for the Project. The District will notify the University in writing of any change orders related to the Project.

- 5. <u>Use of Throwing Field.</u> During the Term of the Agreement, the Throwing Field will be used as follows:
- (a) The University will have priority use of the Throwing Field for any NCAA, Conference or University intercollegiate track & field meet which is hosted by the University.
- (b) The University may request additional use times for practice sessions subject to scheduled use by the District.
- (c) The District will have priority in scheduling of the Throwing Field, except for the University hosted Meets described in paragraph 5(a) above.
- (d) The University and the District agree that the party using the Throwing Field as scheduled shall be responsible for providing security. The other party shall have no obligation to provide staff for security while not using the Throwing Field. Notwithstanding the foregoing, District will at all times maintain sufficient staff and security at the Parkview location.
- (e) The University and the District agree that the party using the Throwing Field as scheduled shall be responsible for cleaning of the Throwing Field and adjacent stadium and the parking areas, to prepare the area to the next use.
- (f) The Parties shall maintain appropriate insurance to cover their use of the Throwing Field and Property, including, but not limited to, injury to any persons on the Property as a result of the such use, including but not limited to students, visitors or spectators. Each Party will name the other as an additional insured on the insurance policy and furnish the other Party with an appropriate Certificate of Insurance upon request.
- (g) The University may use removable signs and/or banner during their use of the Throwing Field. These signs or banners must not damage the Property and must be removed at the end of the event or use by the University. If damage results, the University shall be responsible for restoring the Property or its contents to their original condition.
- (h) Prior to the intended use of the Throwing Field, the Parties will establish mutually agreeable procedures for the establishment the Throwing Field schedule consistent with this Agreement and the priority usage established in this Section
- 6. Ownership of the Throwing Field. The District will maintain ownership of the property, including the improvements for the Throwing Field.

This project constructs a new pre-engineered metal building that is approximately 10,000 square feet at the Darr Agricultural Center for the Animal Science Department. The building will include a lobby, restrooms, offices, treatment room, animal bathing, food storage and laundry, group activity and training lab, teaching laboratory, six (6) indoor and outdoor runs, mechanical/electrical, and support spaces. Work is scheduled to be completed during the summer 2023 semester.

Alternate 1 provides a gravel parking lot with concrete drive aprons. It is recommended that this alternate be accepted.

Alternate 2 would have provided suspended acoustical baffles in the lobby areas. Alternate 3 would have provided concrete masonry unit block partitions and hard ceilings at the restrooms. Alternate 4 would have provided composite wall panels, soffit panels, and interior wall panels at the entrance. These alternates are not being accepted due to cost.

Unit prices were received during bidding, as additional site work may be addressed as needs are identified.

Other construction costs included a new water main from Kansas Expressway, as well as City Utilities connections for gas, water, fire, and electric.

This project will be paid from the Small Animal Facility budget funded by State Appropriations (\$4,000,000.00), private donations (\$900,000.00), FY23 Operating Maintenance and Repair (\$200,000.00) budget, and Provost One Time Funding (\$100,000.00) budget.
